SPECIAL ORDERS

No. 92.

Major R. W. Keyworth, Asst. Chf. Com. Dist. Texas, &c., and Capt. John C. Ransom, Asst. Chf. Q. M., will proceed to Brazoria, Wharton, Matagorda and Fort Bend counties, for the purpose of investigating and adjusting all claims against the Commissary and Quartermaster's Department, that may be found in the hands of the citizens of those counties. When citizens hold certified accounts given by Act. Asst. Com. or Act. Asst. Quartermasters, or Commissaries and Quartermasters who have never received appointment from the President, but in the judgment of Major Keyworth or Capt. Ransom the accounts are just, and the supplies have been consumed by the army, they will approve such accounts for payment, which, when so approved, is hereby constituted a voucher on which any officer of Commissary or Quartermaster's Department serving in this District is authorized to pay.

Where citizens have furnished supplies to the army, and have no written evidence of the fact, Maj. Keyworth or Capt. Ransom is instructed to make an account for the same, to be supported by affidavits of witnesses attesting the fact of consumption, and by an appraisement made by two or more disinterested persons fixing the value of the supplies; this, when approved (which Major Keyworth or Capt. Ransom are hereby authorized and directed to do), will constitute a voucher on which any officer serving in the Commissary or Quartermaster's Department in this District, is authorized to pay.

I hereby certify that Frank Mc Loftin formerly a member of my Company and Ordnance Sergt of this Regt has been unfit for duty since 2nd of April. He has not done any duty since said time and in my judgement he is not stout enough to perform the duties of a soldier. I have known him for some years and he has always been considered a feeble young man.

A. A. Abraham
Capt Co. F. 41st Regt Geo. Vol.

I certify that I have carefully examined the said Frank Mc Loftin of Capt A. A. Abraham's Company, Co. F. 41st Regt Geo. Vols and find him incapable of performing the duties of a soldier because of having had Chills and Fever for months before entering the service and since his connection with the army he has had Remittent fever and has performed no duty since the 1st of April. His condition disqualifies him for the duties of a soldier and I do not believe he will be able to resume his duties for six months. I therefore recommend his discharge.

I have the honor of recommending
Sergt-Bradford H. Lofton for the appointment of 1st Lieut-

caused by the promotion of P. J. Shannon to the position
of Major of the Regiment, he having been at the time
of his promotion the regularly appointed Adjutant-

this Regiment on the 15th July 1861 and since then
has ever been at his post - performing like a true
and good soldier all the duties which devolved
upon him as such.

Believing that Sergt-Lofton is in every way
fitted for the position, & feeling well satisfied he
is worthy, I very earnestly trust he will
receive the appointment and without delay.

I have the honor
to lay before you the following reasons on which I ground
a petition for a leave of absence of fifteen days.
I have not been once absent from my post during a
period of nearly a quarter of a year; and in that time,
have been kept so assiduously employed in the duties
of my department — having since the 15th of February,
last occupied a very unhealthy region of country, with
several additional corps under my charge — that the
interruption of a visit to my family would be of essential
service to me in the active campaign, on which we
are about to enter. I have besides important business
that requires my presence at home, etc we are removed
to a more distant field. My Asst. Surg. is at his post.

I have the honor to remain

Dr. W. L. Brodie,

Sir,

I would respectfully ask through
you for a leave of absence that will enable me to recruit
my strength, which has suffered materially from the cause
set forth in the accompanying certificate from Dr. Wager.
I do not urge a transfer so long as by proper precautions
I can maintain my health. ~~I have not been able to~~
I laid this subject before you, but for reasons not now
necessary to be explained, was constrained to defer it till the
present opportunity. I have a competent Asst. Surg. present at
his post, while the number of sick in the regt. does not average
more than twenty a day, and as I do not wish to leave the regt.
till the 28th inst. several of the absent Surgeons' leaves of absence
will be on the eve of expiring, etc. mine begins.

Evans & Brig. February 17th 1863.

I have some explanation in regard to my failure to
report to your office on my arrival at this Post was re-
ceived this morning. Soon after reaching Kingston, I re-
ported promptly to the Surg. General, but having no ac-
cess to a copy of the regulations of the Medical Department,
I was not aware of the reception of your letter, and it was
my duty to report also to the Medical Director. I was
ordered for duty in this Regiment 24th January, as soon
after my departure from Richmond as I could do so.
Since that date the Brigade has been removed from
Kingston to our present camp near Wilmington.

Dec 12th 1864

Enclosed
I enclose a recommendation for the
appointment of Capt. James Sullivan, formerly
Union Army, as a native of South Carolina, as
a fit and capable person for the office of Captain and
Adj. Comd. Subaltern of my regiment, the "Campfire"
Regt. I have been in the service since the opening of the
war, as a most deserving soldier and is, by reason of his
education, natural ability and energy, highly qualified for
this position.

My regiment is a new one, and greatly needs the services
of such an officer, no advancement or recommendation having
been made for it since it became entitled to such an
officer, my recommendation is made from Infantry to the mounted
service. I therefore, respectfully ask that Capt. J. M. Sullivan
be appointed Capt. & Adj. Comd. and assigned to my regiment.

4th Reg. P.V.

Sir,

In a recent letter from the Medical Director I am instructed, notwithstanding the recent changes in the boundaries of the Military Districts, to continue, temporarily, in charge as Chief Surgeon of Division for that portion of the 6th Mil. Dist. formerly comprehended in one of the districts comprising my Medical Division. The portion alluded to extends from the Rantoul's Creek to the Edisto River, including John's Island; and as I understand that you are the ranking Medical Officer in that section, I hereby instruct you to assume the duties of a Sen. Surg. of Brig. for that portion of the 6th Military Dist. You will instruct the Medical Officers by my authority to send their papers through you, as such; and you will forward them to me at Pocotaligo until further notice.

You will also at your earliest opportunity furnish me with a report of the names of the Medical Officers, their corps and the distances apart. Please also make the "Monthly Return of Medical Officers" required by the regulations as early as possible in the month, & mail it if possible on the 1st.

I enclose 9 blanks for "Monthly Reports" and 3 for "Quarterly". I will send more of the latter when I receive them.

I hoped to have seen you here and was not aware until 8 o'clock to-night that your quarters were not in the village.

I am obliged to return to Pocotaligo to-morrow and consequently will not be able to see you on this visit. Regretting that this is the case, I have the honour to remain

Very respectfully
 (Signed) Genl. Logan Chf. Sg.
 of Div. for 2nd & 3rd Divs.

P.S. Has the Brigade been thoroughly vaccinated The
 Medical Officer of each command must be required
 to inspect the arm of each man in ^{their} respective corps.
 See after this in your visits to their Camps. Small
 pox is quite prevalent on this line on the plantation
 tions.

Colonel

I have the honor to acknowledge the receipt of the letter to Genl. Briggs, Army Dept., from the Executive Office, Richmond Va Jan 9th 1885, relating to reported neglect and misadministration at General Hospital No. 4 in this city and referred to me, with orders to make an inspection and report upon the condition and management of said hospital.

I have made the investigation, and by leave to report, that, after a rapid and minute inspection, of which the Surgeon in charge had been half hour notice I saw nothing to substantiate the reports relative to the whole establishment was remarkably clean, and in good order, and in notice to the Surgeon in charge, I might state that I have seldom inspected a hospital where so little fault could be found. I have the honor to desire I have the pleasure to report in detail to desire I have the pleasure to report in the person

FINANCIER, DEAD**

General Thomas Melthrop Logan, Brigadier General in the Confederate Army, prominent as a Senator, died at his home, No. 20 Morning-side Drive, Thursday. A private, he served through the attack on Fort Sumter and later was made lieutenant.

In December, 1861, General Logan received his appointment as Brigadier General, the youngest man of that rank in the service of the Confederate States. He was wounded at Gaines Mill, near Richmond, in 1862.

At Chickahominy he attempted to delay the advance of General Grant. When his command started to retreat General Logan rode ahead and was shot from his horse, and seriously wounded.

In 1881, he organized a syndicate of Philadelphia and New York business men which consolidated several small railway lines in the South. This system now is known as the Southern Railway. He was president of the Gray National Telephone Company. General Logan was chairman of the Democratic Executive Committee of Virginia in 1890 and of the Gold Democratic Party of Virginia in 1904. He was 65 years old.

General

Have the honor to
request that you will assign some of the best
regiment (now in the Department) to the 3rd Division
be transferred to the rank of Brigadier General
and assigned to duty as Brigadier of the Division.
It is sufficient for me to say of Col. Sigbee
that he has always been the confidence of his
superior officers, and before the Department with
confidence to the qualities of the best soldier in
the service. I have heard of his good work, and his
Hampden, and his good work, and his
qualifications for command.

It is one of those young men who has risen
to his present position, from a distant country,
by decision to the service, and meeting of his

attention to his literary capacity, and
personal gallantry, and I most respectfully
urge his appointment, and his
assignment to the highest position, as it
is very much in need of an experienced officer.

Head Quarters 1st Corps A N V.
Decr 13th 1864-

General:

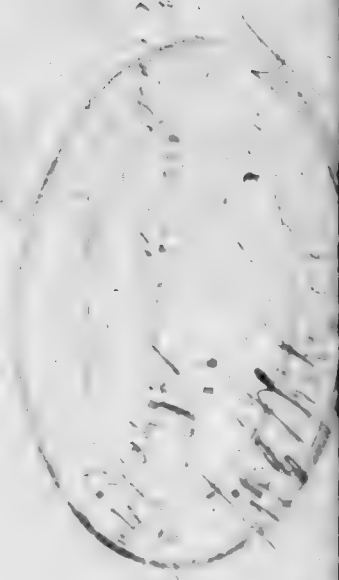

Colonel Logan of the Hampshire Legion. Gary's
Brigade. was in my Command from July 1862. until about
March 1864. when his Regiment was transferred to the Cavalry Service.
In the Operations of my Command around Chattanooga last
Fall (1863) and during my Campaign in East Tennessee
last winter, he was in immediate Command of all the
Skirmishes from Hood's Division. In this position he won a
great enviable reputation. I was particularly attracted by his
skill and gallantry in the pursuit of the Enemy (in Nov. 1863)
from Longfellow to Knoxville. where on two occasions he charged
and routed a line of battle with his skirmish line. He also
particularly distinguished himself in the Affair at Sandridge
East Tennessee in January last. More recently he has been
under my Command as Colonel of a Cavalry Regiment. and
as Senior Colonel. Commanding Gary's Brigade: in both of
which capacities, his conduct has merited my warmest
approbation. He has always proved himself a brave
cool, skilful and gallant Officer. and I must cordially
recommend his early promotion to the position of Brigadier
General.

Your letter of the 13th June has been received and content noted. The 306 Fuzze Flaps to which you allude to were packed in the Box: of your letter in your letter. With the 10 for Smith's and were not packed in the Box: showing where they were. It is certainly your fault that you did not get a Receipt for them as the Box: was not stopped here. Though shipped immediately on to Jackson Miss it is now impossible for me to correct the error. Though it does seem to me that the Fuzze Flaps as they are intended to go in the Shew should not be Receipts for Separately. They being essential to complete the Shew before receiving them. And stands in the same relation to the Shew as does. Muzzle caps to Rock & Ball cartridges. In regard to the Fuzze being in a Box. It may have been in one though when it reached here it was in two Sacks.

Your letter of the 25th of May has been received. Kindly offering me your assistance in getting me promoted for which I thank you. Enclosed I send you the Recommendation of several officers with whom I have served with and under at different times since the War commenced, and I trust it will be a sufficient basis for you to favor an application on for my promotion. Col. White who is now Commanding the Arsenal, is comparatively a stranger to me and therefore I would dislike to ask him to assist me in the matter.

If possible I would like to be made Major of Artillery and assigned to duty ~~with~~ at some Arsenal. And if this cannot be done I would like to go in the field under you, if possible, for any kind of service. I shall ever be grateful.

In compliance with your request I will state that when stationed at Memphis as Comdg. Officer of the Post from November 1861 until April 1862. You were then in the capacity of Military Store Keeper in Ordnance Dept. also you were acting in the same capacity at Columbus Miss. while I was stationed at that place as Comdg. Officer from July 1861 to January 1863, at all times when as Comdg. Officer I made requisitions upon you, they were promptly and satisfactorily filled. You were at all times at your Post and on Duty. I can further testify that your character for Sobriety & gentlemanly deportment was excellent and in every respect all that would be required of an officer. I am Capt

I fully endorse the within letter of Gen Adams. Mr John E. Loggins was Military Store Keeper of Birmingham Arsenal from the 20th day of September 1861 till the 1st day of September 1863, when I was relieved from duty at my own request. He conducted the business in the best possible manner considering the disjointed state of affairs, he is of my own personal knowledge incomparably honest and is one of the best business men in the Confederacy. He is a gentleman - who stands decidedly high in the estimation of all who know him. If any man in the Confederacy deserves promotion he does.

I most cheerfully endorse the within letter from Gen Adams. Capt Loggins was acting Military Store Keeper, under Major Hunt at Memphis and Columbus, and discharged the same duties while I was commanding the Arsenal at Columbus. I have never met with an officer who gave more of his time and care to the interest of the Government committed to his charge, and I have always regarded him as a very superior administrative officer.

in reference to the stores alluded to in your

Major Harris the Q. M. at Montgomery also that he
has shipped from there 600 Pys of the Sea. Stewie
has in the Dep't at Montgomery 100 Pys and the
Bot containing Fily and other Stores. He says the
reason why they have not been shipped from there is
owing to the fact that the Rail Road has been
engaged in supplying the Troops under Genl Sherman's

Please

do not think it presumptuous on my part, or bothersome to you, though I wish to ask a favor at your hands. Something that I rarely ever do. First I must thank you for the assistance you rendered me in forwarding my application to Genl Bragg with your approval for my promotion to Maj. Grade Last Feb. though I regret that the Genl returned it to me disappointed. Now Col I have been in the position as a Military Store Keeper since the war began and until very recently I have received the regular appointment as such. And as a matter of Justice let I now appeal to you if in your power to assist me in getting promotion to Maj either in the Field or at some Ordnance Depot or Arsenal. You are aware of the responsibility resting upon a Military Store Keeper. And I would be glad to get some position of a higher grade or rank than a Captain. Where I could be of as much service to the Confederacy as any now. Others who commenced much later in this struggle than I have been promoted over me. Should you deem this worthy of notice I shall ever be grateful. -L. for any assistance shown me. Very Respectfully

Va.

General I have the
Honor to have just a letter this day received
from Col. J. G. Galt. Chf of Ordnance, for your due
Consideration and Respectfully request that if in
your power to do so you will assist me in the
desired Commission. I will state that I have
been acting as Military Store Keeper since Septem-
ber 1861. and had I never been influenced by
my friends I would have been in active service since
the beginning of the War, though by over persuasion
I have remained in the position until now, and
from time to time have I been promised that
I would in due time receive a Commission
as Military Store Keeper, though after this long time
of service with continual promises. I am now in-
formed by the Chief of Ordnance, that it is impossible
for me to be commissioned, as I have never been

and and since in the future this I think is
very hard after being assigned to duty by an
order from the chief of ordnance and being
faithful as I have for the time mentioned and
then to be turned out when all positions are filled.
as an act of justice I make this appeal and beg
your indulgence and assistance as you are
the only person who can assist me, this is
done at the suggestion of my friends. Gentlemen
who know you and have known you for years.
and I respectfully submit the matter to your
charge and earnestly request that if in your
power you will assist me, with much respect
I am your obedt servant

W. E. Leggett.
A. M. S. B.

P. S.

I have your Bond as is required by the
ordnance Regulations which has been accepted.

Sir

Your letter of June 20th
has been received.

It was impossible to procure
for you the appointment of Military Storekeeper. as
acting Military Storekeeper you are a civil employee
and have been very useful as indicated by
reports received here. The duration of your
employment must be in a great measure dependent upon the
officer with whom you are serving. There is
every disposition here to retain you in the
Service.

Very Respectfully

Your obedt Servant.

Capt George Robinson

Major

They have most earnestly
to call your attention to the merits of my Regt Commission
Capt George Robinson. I have known him for many years. As
an efficient soldier, intelligent and sober man -
He has also the highest testimonials from Genl. Whiting,
Capt Gilman, Chief of Engineers and from Col
Kearney Lieut. A. & C. to the President with all of
whom he has served. Since his official connection
with my Regt. He has given great satisfaction - and the
praise of the citizens, even when engaged in the unpleasant
duties of war. I cordially believe him to be the
most honest and earnest man I have ever met
fully capable of filling the position of Post Commissioner
and believe it will be to the interest of the Government
to appoint him such - you are aware of the great difficulties
of filling any Commission and how extensive it is
that a Post Commissioner be left here. I therefore earnestly
recommend that every effort should be made to have the
appointment given to Capt George - I am very

very respectfully,

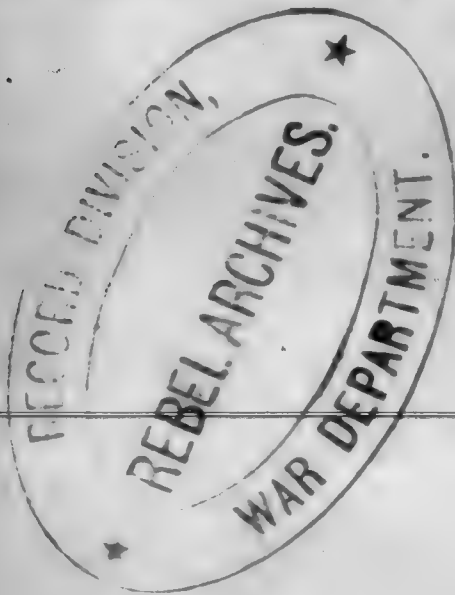

Samuel H. Clinch

City, War

On the 26th of May 1862, I received
an appointment as Surgeon of the 53rd Regiment N. C.
Troops. This appointment was confirmed by the
Authorities at Richmond a few weeks later.

About a
year or more before the receipt of this appointment, I
had been suffering from chronic Diarrhea, but its
being rather slight in its nature & not willing to be
behind my professional brethren in patriotism, I
accepted the appointment, thinking I would be able to manage
the fatigue & exposure incident to camp life. The
disease however, contrary to my expectations & my infinite
regret, made alarming & rapid progress, resisting all
manners of treatment, robbing me of glad & strength
and causing me to look on death as to compel me
in justice to my present & future heart & life to
leave the service though with great reluctance.

I therefore
deputyfully tender my resignation of the position of
Surgeon of the 53rd Regiment N. C. Troops. The certification
of the Senior Medical Officer of the Brigade accompanying
this paper —

James H. Long

Decr. 8th. 1862.

Surgeon James F. Long. of the 53rd Regt. N. C.
Troops, having applied for a certificate on which to
ground an application for his resignation, I do hereby
certify that I have carefully examined this Officer,
and find that he is suffering from Chronic Diarrhoea.

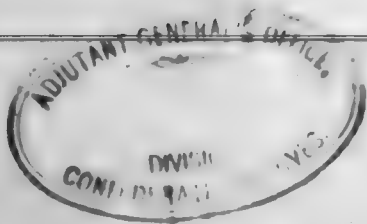

Dr Long was attacked with this disease two years
ago, and has never been entirely free from its effects,
since June last he has been growing worse, and
is now in a very debilitated condition, and in
consequence thereof, he is, in my opinion unfit for
duty. I further declare my belief that he will
not be able again to resume his duties, and earnestly
and respectfully recommend his resignation be
accepted.

Maj Gen. J. Bonkhead Magruder,
Comd Dist of Texas &c.
Gen.

An order has been received here from Col Buchel Comd the line of the Sabine &c. directing Col Griffin to send to Chittenden Bluff all the transportation that is here that formerly belonged to that Port.

There is at this Port but 28 serviceable wagons and 31 Companies to provide for, reckoning Goulds Post as only 2 Companies. Four of the wagons are used all the time by the engineer Dept Taylors Bayou (15 miles) High Island & Boliver Point (the one ^{is} to the other 60) both on the same road, have to be supplied.

In view of these circumstances it is my opinion there is not a single wagon at this Port that can be spared & I have therefore authorized to Col Griffin to accept action upon the order, until your decision can be received, Hoping this action will meet with your approval. (over)

The Inspection required was, as I understood the order, merely to find out ~~whether~~ whether the different Regiments were supplied with arms & accoutrements, and in case there was a surplus in any Regiment, to order them to be turned in, and in case there was a deficiency to see that it was supplied, so that each Regt on leaving here, so far as arms & accoutrements were concerned, could not only be condemned - but was in reality efficient.

If any other information is required in reference to these Regiments, I think that I am able to furnish all that an Inspectiong Officer is able to find out, as my inspection was very minute.

he is responsible, as unserviceable —

(Signed) E. P. Sumner

Houston Texas Oct 24th / 63

In obedience to the above order I inspected
the property referred to and find as follows

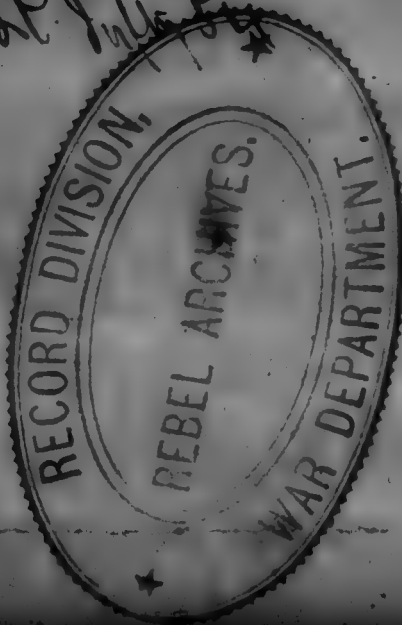

Of the (89) Lighter kind horses examined - Forty seven are totally unfit for service and should be sold immediately. The remainder Forty-two (42) may by use & good care, ^{be} taken of them be made in time of use to the Government.

Of the forty-five (45) horses examined four (4) ~~dead~~ the Glaucomas and were ordered to be shot. Fifteen (15) totally unfit for service from disease & injuries that they have received, as well as their being completely worn out. The remainder are fit for service.

From the statement of those having charge of the animals I am of opinion that the bad condition of both Horses & mules is owing to their having been overworked before they were turned over to Maj. Every & the very poor grass in this vicinity.

I take this ^{means} of recommending
for the Military Service of the Con-

Native North Carolinian and late
Lieutenant in the Army of the U. States.

It will be sufficient for me to say
that, he was regularly graduated at
West Point and that since, he has
served in the U. S. Army for several years.

He was stationed in the far West and
lost no time, after learning the action
of his State, in resigning & returning to
his home - He has reached here rather
late for an immediate appointment in our
Volunteer force, but I hope not too late
to receive some suitable position at your
hands.

General

I beg leave herewith to tender through you to the Hon. Secy of War, my resignation of the Office of Assistant Quartermaster in the Confederate Army of the Confederate States to take effect at the earliest practicable date.

As you are aware I am impeded to this step by the unfortunate sickness of my family as well as the greatly impaired state of my own health rendering me unfit for active service.

According to necessity that compels me to tender my resignation I nevertheless hope that even out of service I may still be useful to my Country.
The early acceptance will very greatly oblige

Yours Obedtly

Major Senger's letter and inclosure are returned herewith.

The papers referred to by him in the 2nd paragraph of his letter have been identified; they are on file in this Division, and copies thereof may be made for Major Senger at his expense by a clerk, on his or her own time, or by a former clerk of the Division. The rate of pay usually charged for typewritten copies of this character is \$5.00 per day.

From a hasty examination of the papers in General Longstreet's jacket I believe that several of them are of little importance or interest and, unless Major Senger has seen them or is familiar with their contents, I doubt the wisdom of copying all of them in the absence of further request from him.

The personal paper jacket of General Longstreet is loaned herewith and it is desired that it be returned promptly to me.

Dear Sir

San Francisco, Cal.
Sept 10th 1861

I have this day received a letter from my brother Major General James H. Morgan of the United States Army, who has for several years been stationed at Fort Abiquirque New Mexico. He requests me to tender his services to any new government or Southern organization that may have existence to come in any capacity that is within the scope of his profession. He states that upon his resignation at his Post of the news of Lincoln's election he applied to the commanding Commandant for an order for himself to cross beyond the Indian Territory for the purpose of reaching the States. The order was denied him. He then wrote to the General and to General Thompson to obtain his recall by the Secretary of War. His leaving too great delay he was making arrangements

for the purpose of stopping the progress
and so soon as accomplished we will return
the stage & make all haste possible to reach
home, for after that a hunter Indian has
to look for him daily.

In this part of the State we are waiting
with deep interest to hear from the incoming
Administration at Washington, should Mr.
Lincoln's policy be for Coercion we will
then know what to expect. Our position
at Jackson must be well generally taken
sure, that if war comes on, Coercion should
not be upon the aggressive entirely, but
carry it into Africa.

What I am thinking of is to
this Southern Movement and if the danger
dreadful calamity of War by all of you
will all of you good measures to follow
wherever my old cat, may lead.

In very kind regards

Hon. Jefferson Davis, Sec. of War
President of the Confederate States

Cause.

It was known the report
of Colo. H. W. Hunt of the affair
of yesterday, and sent a list of
killed and wounded. The
Prisoners eight were forwarded
yesterday about two hours
ago.

The Capt of our location at
Munroe and Lipton is not
properly guarded nor is
the manner of watching it
properly. My Cavalry force after
taking prisoners for the 14th Div.
supplying the Hospital with his
twenty more prisoners from

Jonathan A. Huntington
for an agent in the Field
Office of the Agency.

Bro. Bankham writes me
that he has "three or four
minutes at dinner." I think
that he has no more action in
any important direction.
If he could establish a ticket
at Lanesville it would make
the work for our friends
perfect, and relieve our
force at Hulls Church of a
great deal of anxiety. The
result would be entirely safe, from
anything like a surprise -
Some communicating friends
doubt of that, when the troops
could retreat upon Hulls
Church would answer the same

purposed if he has not ^{at present} ~~enough~~ ^{the} to run up ~~that~~ ^{the} ~~look-out~~ ^{at present}
if it is established, the party in
position should be particularly
cautious to give notice at
all times of any advance
against us.

I find some inconvenience
in getting our supplies of rations.
The ^{rations} can only get on a few
days at a time. This keeps me
constantly on the watch and is
exceedingly annoying. My staff
Officers are all sick, and I am
obliged to look to every little thing.

July 1861 -

Sir:

Major James Bonquet, Paymaster in the Army of the United States, was appointed from Alabama, where last heard from, he was at Albuquerque New Mexico - did not know what action any State had taken, but asserted his determination to go wherever his State ~~for~~ went, to bide her fortunes, and to serve her in any capacity, where his services were needed. He is an officer of high character - of chivalric bearing - of unquestioned loyalty, patriotism and courage. I know him well and have much pleasure in commending him to the consideration of the ~~State~~ Government.

Very Respectfully
J. M. Bonquet

The undersigned concurs in recommending Major Bonquet for appointment to an office of at least ~~equal rank~~ with that held by him, under the Government of the United States.

It has just been heard,
through a woman from the
enemy lines one of our
pickets, that the enemy intend
to occupy and fortify Lewisville
this week. I think it hardly probable
that such a move will again
be attempted: yet I should think
it the early move that can be
made in this direction. An attempt
will probably not be made with
a less force than ten thousand, with
a strong Artillery force.

To drive that force in I shall
have two available pieces of

Artillery, and probably fifteen
hundred of Infantry. I think
I think this force would drive
them away in, it is hardly enough
to count upon. I would prefer
to have at least five thousand men
and four other pieces of Artillery, some
heavier pieces than we have here.
I hope the General will let me
have his views upon the subject
as early as possible.

On my arrival here on the
night of the 15th. I found that
Colo Geo W Stewart's Regiment had
at his request been allowed to
remain here for another term.
This gives me six Regiments
here instead of five as I understood
the arrangements. It is more
too many, and as they are

quite comfortable here. matter
handed, I have kept them. This
is the weak point of the advanced
line, and should therefore be better
guarded. This point guarded, will
protect the flank, and enable the
forces from all the other points
to make an easy retreat via
Amanah. And to make a
strong fight on the other side of
the desert, if necessary, or
expedient.

I hope the General will make
us another visit as soon as he
can.

I remain Sir very Respectfully

Colonel

I send herewith the report
of Colo. Stuart, upon the movement
of yesterday. Col. Kershaw's will be
forwarded as soon as received. I
am inclined ^{to} think that failure
of the effort is due entirely to Colo.
Kershaw's getting on a different
road from the one I intended
he should have taken. Had he
been up to time there is no doubt
but there would have been one,
"more Bull Run affair". As
things misarranged, ~~the~~ ^{the} enemy discom-
us in time to get a good start.

I would be glad to have the
streams between the C.H. and
this bridge. The crossings
are almost impassable.

My Baker oven is just finished
here, and it would like to get
a couple of Bakers. The details
from my own Brigade are so
heavy that it is not wish to order
it from my own.

My Masons, by the by, declare
that we will surely move in a
few days, as we have not yet been
able to use any of the last three
ovens that they have built.

A verbal message was left
here a few days ago, to the effect
that it was not desired to keep our
Pickets strictly to their present line.
Is it desired that they should
advance? It have kept them
moving a little at a time where it
can be done. But do not think
my force strong enough to make
any decided advance movement.
The message was left on

means will be Col. Preston of
Gen. Johnston's Staff.

Col. Kershaw's Regiment has at his
request been allowed to remain
here a few days over his time.

Colonel

By accident I got, last night, yesterday & day before papers. Also information that this position will be attacked by a very strong force in a few days. (I sent last night a telegram announcing the intelligence). It is not likely that the attack will be that of the grand army. Therefore I think the enemy should be driven back ⁱⁿ ~~in~~ thousand men on this line can drive him back, & force him into a general engagement, from which we may retire or not as may be most suitable to our feelings and convenience.

I think it hardly advisable
to determine to give battle to
an army in the force now
occupying the line. The front
of the line is properly constituted -
that is the advance ^{against} the front-
ought to hold against a con-
siderable army; but from some
march will place the enemy in
rear of either flank. The right
could, I think, be defended by
a small ^{detachment} reinforcement and
some artillery. On the South
side of the Pike and very near
to it, three quarters of a mile north
of this is a very commanding
summit. Properly defended with
~~some reinforcement~~
Paddy, I think this line can be held.
I have asked for some heavy guns
for the hill referred to before. They
can easily and readily be moved
there. May to Chichester who goes up

Today can tell you all about it.
The line is so long that it will be
impossible for me to attend to the
whole of it by personal directions.
And I have not great confidence
in the proper conduct of a retreat
by volunteers.

I am not advised whether Gen
Borham's Command is to remain
at or near the old Court House
I hope the General will have
a picket stationed at the bridge
over the Acotink, between Anandale
and the Court House; and one
at the cross roads between the Cts.
House and this, to prevent persons
visiting the advance lines, who
have no authority to do so.

The other showed fight and  
one of them was killed and

The enemy is again

Colonel

I send eight prisoners taken  
in the skirmish of yesterday. Six soldiers  
and two citizens. The citizens are supposed  
to have been acting as guides as they were  
with the Rebels.

Many if not all the Rebels who  
Georgetown have been driven into Washington  
since the driving in of their Rebels on  
Friday inst. A New Bridge on the rail  
way near Alexandria was also destroyed  
on Saturday. No doubt but the troops  
that Gen. Lee was looking for were driven  
into Washington in consequence of the  
demonstration on Friday. The bridge that  
was destroyed had just been completed in  
the evening.

General

As soon as I saw by  
by telegraph the information  
received from the day, at  
Massachusetts. I was surprised  
then, I found everything was  
quite the way Alexandria  
which he reported in general  
was unharmed. I am sure  
that he thought we were winning  
Alexandria. I am nothing at  
all in the morning, but  
above the burning.  
I wish very much the En-  
would come up and visit

Mason: & human hills - 3 -  
coming in the cars I can  
have a horse ready and he  
can make the entire trip in  
a day.

Early morning was entirely  
unfounded, and I think a  
few days at Mason's Hill will  
benefit him. I think so that  
he is anxious to remain.  
I send a report just as you  
wish - I have directed that  
the illness no other reason to  
remove soldiers until they come  
properly authorized -

Very truly yours

There are, within four miles of this place, four Brigades, and one Regiment of Cavalry, acting without any responsible head. The consequence is the duties here are not properly distributed nor is it properly performed. There are four Companies detailed, daily, from my Brigade, which so far as I have been able to learn is all the Advance Guards of Infantry, that is furnished. Col. I am of the opinion that the advanced Guards are not properly furnished nor organized.

I, therefore, respectfully suggest that it would be better that the command be placed under the authority of the Senior Officer, holding him responsible for the position and the duties under

I regret to report the necessity of  
ordering Company F. 1<sup>st</sup> Regt. Marylanders  
to the rear without their arms - The Company  
was almost in open mutiny this morning.  
Their chief complaint seems to be that their  
Commander, the present Commander, is not  
legally their Comd. Officer. There can be  
no proper reason, however, for such  
conduct on the part of men who profess  
a willingness to serve in defense of their  
country's honor.

The influence of this Company  
in the Regiment to which it has been assigned  
is so injurious that I deem further

Headquarters Advanced Forces

Colonel

I have the honor to return herewith  
the papers of complaint against Col. Stuart's  
Cavalry.

I have investigated the circumstances  
as far as I think it necessary and, ascertained  
the following viz:

Capt. Nelson is a very pious man and <sup>not</sup> ~~not~~  
under ~~any~~ circumstances, swears. He complains that  
on the occasion complained of, he was stopped there  
by the Pickets of Radford's Regt: whilst on his  
way to his own picket. That he had no counter  
as the one of the tour for which he was detailed  
had not been given out, and the one of the day  
before had not been given to the new picket.  
The first <sup>picket</sup> ~~time~~ he got by after some little  
talk, and so with the second. The third stopped  
him and seemed disposed to keep him from his  
duties, <sup>convinced</sup> that they recognised him as  
one of our Officers and <sup>camp</sup> ~~camp~~. on the way  
to their Picket Capt. N. says that he was much  
annoyed by this and told them they could not  
stop him or something of the kind, and that he  
spoke of this Picket as an "inferior" one, but  
never thought of using such a term as "inferior"  
in connection with that or any other Regt.

On one occasion Col Stuart wanted to send  
an important dispatch from Munson Hill & his Cavalry  
Cavalry, and having no mounted man whom he  
could use for that purpose, called on a mounted  
man who proved to be one belonging with the 1st  
Brigade. The Courier refused to bear the dispatch,  
saying he was of Gen. Benham's Brigade and was at  
Munson's, for the benefit of Gen. B. whereupon Col.  
Stuart expressed some dissatisfaction. Any Officer  
having the interest of the Service at heart would have  
felt as much if he had not expressed it. Any  
would probably feel and said more.

It so happens that the two Officers complained  
of are two of the most unexceptionable men in our  
Army.

I remain Sir very Respectfully—

there is reason to believe that the enemy may attempt to  
re-occupy Bull Church, I have ordered an additional company  
of Infantry to that point, and may, if necessary to re-occupy  
this advance by several other companies before night. It is  
my opinion that a Regiment should be at the point and  
blind daily, this would be too strong a detail to make  
from my command; in the way of Guard Duty with two  
other Regiments it might be done very readily.

The Officers on the Point represent that the range  
of the enemys guns is greater than ours. These Officers report  
too that their arms to be useless to believe that the enemy  
desires the advance on both sides of Galls Church. I do not  
feel authorized to engage them in battle there, in as much  
as I am not sufficiently posted as to their designs.

I would like nothing to employ a suitable person  
to ascertain as far as possible what goes on in front of me.

I remain Sir Very Respectfully  
Your Most Obedt Servt

I believe as we cannot act in concert with the  
 Union that the only plan in camp is to remain  
 from our cause whatever (which men will surely do)  
 is leading from behind showing to you that any man who  
 is not a Union man will be sure to be in the  
 line. This will be seen from the fact that the  
 letter which was sent to make our cause known to be  
 kept in the hands of the Union. I do not feel that  
 it will be needed in the future as it is not  
 an essential part of the Union. I am not  
 sure that the Union is not the only one

Captain:

I herewith inclose a communication from  
Col Hardeman, to which I ask the attention of the  
Genl Comdg.

So far as I have observed Wm Looscan  
is a negative character, not yielding Col Hardeman  
or myself any support in our efforts to organize and  
discipline the command. I regard his presence with  
the Regiment as detrimental to its efficiency, and  
I earnestly recommend that he may be taken out  
of my way.

Respectfully his resignation  
J. M. Mackay

Greensboro. July 8. 1864

General

I am reluctantly  
compelled to resign my posi-  
tion as Post Chaplain at this  
point. The necessity grows out  
of the impossibility of getting  
quarters for my family, and  
of providing for them elsewhere.  
They are refugees, and have  
hitherto occupied a part of a  
house which is now reclaimed  
by its owners. I have received  
an offer of a home in South  
Carolina, with parochial  
duties attached, and think it  
my duty to accept the offer. In  
the hope that my forced resig-  
nation may be acted upon as  
soon as possible I am Sir

Genl S. Cooper Adj. & Insp. General  
Sir

I hereby tender  
my resignation of the appointment  
to the Chaplaincy of Mather's Lt Artillery  
Regiment. The appointment gives  
me rank from the fourteenth of  
May 1862, on which day I did  
in fact report myself to Col Mather  
and enter upon the discharge of  
the duties of the office, and have  
continued to discharge those duties  
up to date.

I beg that the above resignation  
may be accepted. I was influenced  
in accepting the appointment by  
the desire to be of some service to  
the Confederacy, my parish being at  
the time disorganized by the hostile  
demonstration made against the  
city. The successful defence of  
Vicksburg restores my parish to  
me, and hence my resignation the  
result not of fickleness or disjunct  
at the service but of imperious circum-  
stances, and considerations of duty.

Very Respectfully

Yours Obedt Servt  
W. M. Lord J. D.

Dear General & Bishop;

Have you any  
place that my abilities  
such as they, will enable me  
to fill. Could I get a  
chaplaincy in one of  
your regiments. or have  
you any place on your  
staff for one of your own  
profession - who knows  
that he has intelligence  
enough to understand  
and carry an order - and  
I trust courage enough  
to execute it. I should be  
a refugee; and I wish to

devote my energies to  
an active participation  
in this holiest war that  
was ever waged.

If you have no place  
upon your staff, for  
a Doctor of Divinity -  
(and as Bishop-General  
you might, without pleasant-  
ry, favor the pretension)  
I will do anything that  
will enable me to be  
useful. Please answer  
immediately and much  
oblige

Yours faithfully friend  
and servant

To His Excellency,  
the Governor of Florida  
Sir.

I have watched with intense interest, the conflict now raging, between the North and the South, - I have served our common country with all my heart and soul, but not with more zeal or devotion, than I shall always hold myself ready to serve my State and the South, should the time come when my services will be useful to them, and whenever I am required I am ready to go where my duty and my affections lead me, to serve in the defence and to abide with the fortunes of Florida, -

I am now on my way to New Mexico to take command of that Military Department, but I can hear the voice of my State, though engaged in Indian wars in the mountains of that distant Territory, and whenever that voice bids me return, Florida may be sure that I will be with her as soon after as I can come to her, -

With respect,

I have the honor to be

His Excellency

Hon. Jefferson Davis

President of the Confederate States

We, the undersigned officers of the Army of the Mississippi, feeling a deep interest in the appointment of a successor to the command made vacant by the death of the lamented Lieut. General L. Many of us have long served under the command of General Saring & all have seen his courage, skill and ability as a commander well tested; and the able and gallant manner in which he has borne himself through all, has inspired us with the most

implicit confidence in his leadership & the earnest desire  
that the request herein made be granted

Pick. Nov. 12 1861

Dear William,

Dear Sir,

I scarcely know how to write this letter - formal or informal - but hope that it will answer the purpose for which it is intended in either way.

My object is to say that I have applied for a furlow which is cut and that I resign my position of Sur. in 7<sup>th</sup> Reg. & Brigade I. A. Vol. In truth I have never been in complete possession thereof - as Dr. Smith claimed to be 1<sup>st</sup> Brigade Sur. which rank I could not admit after seeing the report - or order from the War Department stating that there was no such rank in the Army.

For your polite courtesy towards which I am attached to the Army of the Potomac, of which you are the Med. Dir., please accept my acknowledgments.

Very respectfully

J. H. Houghbrough

Dear General

Gainesville Tex. March 15 1865

I have made no statement to Genl Cooper and  
asked to be assigned to duty either with Genl Morris or Genl Price.  
I had just got a parole in Richmond & it can be  
obtained and for which I trust to your wisdom and assistance.  
For your information I will recite some of the facts stated in my  
letter to Genl Cooper: I was transferred from Genl Morris Staff by  
order of Genl Pemberton and assigned to duty with Genl Morris.  
At that time Genl Morris' Adjt was absent on sick leave, and  
the Surgeon thought he would never be able for field service again.  
In this, however, they were mistaken, for he has returned, and is  
now on duty with the Brigade. After the fall of Vicksburg  
I was relieved from duty with Genl Morris by Genl Pemberton,  
and ordered to report to Genl Price. This order, I have been  
informed by Command of Genl Pemberton is null, and that I must  
get orders from Richmond. These are the facts you can elaborate  
on them to suit the occasion.

Any communication sent here, will reach you. Please write soon.

Your friend  
James H. Longstreet

General

I have the honor to submit  
the following statement of facts and to request instructions or  
orders:

I was appointed a Captain in the Adjutant and Inspector  
General's Dept upon the recommendation of Maj Genl Price, and  
was assigned to duty by the Dept as a 1<sup>st</sup> Lieut in the Staff.  
In this capacity I served until that Order was issued to the  
Trans. Miss Dept when for personal reasons, I asked to be permitted  
to remain in this Dept. I was relieved from duty with Genl Price  
and ordered to report to Genl Pemberton. The Comd of this  
Dept, by whom I was assigned to duty with Brig Genl John C.  
Moore, at A. A. Guil at the request of Genl Moore. At this time there  
was no 1<sup>st</sup> Lieut with Genl Moore. I gave the Genl who had been  
appointed and assigned upon Genl Moore's recommendation having been  
for several months absent from the command on account of disability,  
and I was the opinion of the Surgeons that he would not again  
be able to service in the field.

I remained with Genl Moore until after the fall of Vicksburg when  
Genl Moore ordered A. A. Guil to be relieved for duty & authorized to be  
ordered to replace Maj Genl Price. An order to that effect was given  
to me by Genl Guil Pemberton. Since my Exchange, I learn that  
this order of Genl Pemberton is null, and I am informed by

Further is no appropriate assignment for him (the general officer) of the Army, being already supplied with this full complement of Staff (Lieut.) if follows as the case by under general order, about 2500. to the 1st Regt. of Artillery as terminated.

Let Lieut. H. H. H. be informed as above.

Wm. H. H.  
Oct 10 1861

Commander of the 1st Regt of the 1st Cavalry  
Please to order to duty a Surgeon as a U. S. Surgeon.  
Under these circumstances I respectfully request to be ordered to  
report to Major Gen. Mearns. I hope when this communication will  
be forwarded or that I may be ordered to report Major Gen. Price  
in the Trans Miss Dept if there be an opportunity to duty to assist him.  
Genl Mearns can assign me.

I am General

Very respectfully

Your Obedient Servant

Governor Pettus & other highly respected

procure the services of Maj A Lane, then a

I have every confidence in Major Lane  
he is a man of work, intelligent & honest.

I would very respectfully ask that he

Dear Sir,

I have the honor to acknowledge the receipt of your letter of the 10th inst. in regard to the proposed extension of the term of the lease of the land now occupied by the State of New York for the purpose of building the New York and Albany Canal. I have since been in communication with the Board of Canal Commissioners and they are of the opinion that the proposed extension is not necessary. I have therefore written to the Board of Canal Commissioners and they have decided in favor of the proposed extension. I have also written to the Board of Canal Commissioners and they have decided in favor of the proposed extension. I have also written to the Board of Canal Commissioners and they have decided in favor of the proposed extension.

A black and white photograph of a handwritten document, likely a letter or a page from a book. The handwriting is in cursive and appears to be in ink on aged paper. The text is written in a single column, starting with a large, ornate capital letter 'D'. The ink is dark, and the paper shows signs of aging and wear, including a vertical crease or fold line running down the center.

RECORD DIVISION

Received of the Hon. Secy of War
the following of which I have
ackd 21st 1863

Genl. Wm. C. Coker

Richmond Va

Dear Sir

This letter will be
transmitted to you by Capt. H. B.
Johnson of the A. C. Co. with whom
the "muster rolls" of my com-
mand have been sent.

They were delayed thus long by
the absence of myself, being sent
off on duty.

I left camp in October with
the commander of the Department
of East Tennessee, not only the
muster rolls but my authority
to raise the troops.
I was authorized by Pres-

ident I was to raise a Battalion
of Indians and Highlanders.
When I first received arms
and recruits for them at
Richmond, I then ascertained that
I could procure Indians and High-
landers to increase my com-
mand and I applied to Lt.
Gen. E. B. Smith for permission
to increase it to a Regiment. It
was granted and by the time
the Regiment was raised Gen.
McLown was in command.
Finding that it it could be in-
creased by another Battalion
and that it would be compen-
sated to have mounted Riflemen it
was in concert with the In-
dians, and also that it would
be compensated to have some
artillery to defend the bridge

at Shanghai. I was
advised to draw the
form and to apply to the
Adjutant for permission to
my command to accept
The permission was granted
and the original authority was
filed with the commander of
the Department of East China.
The prices of military services for
the defense of the region
have not been set, and the
companies of men are
now raised at a
great expense.
A company of men
has been ordered to
company has also been
and it is not possible to
it in my command.
I wish very much for the

commissions to be sent by
Capt Johnston,

I am satisfied that I can
make my command useful
in East Tennessee and do
much to reconcile the mount-
tainers of North Carolina and
Tennessee to the Government
of the Confederate States.
Any aid you can give
will be thankfully received
and not forgotten.

Very Respectfully

Yours Obedt. Servt.

I beg leave, respectfully,
to lay before you my accounts for the
payment of the Troops of the 7th I. C. Regt
from the 15th of April to the 1st of July 1861
(being two months and a half).

I drew from Maj. Cobell at Manassas, during
the months of July & August (\$50287.44) Fifty
thousand two hundred and eighty seven & 44 dollars.
I paid out to the Troops on the 8th day of Aug
(\$49679.62) Forty nine thousand six hundred &
seventy nine & 62 dollars, leaving a surplus fund
of (\$5607.82) Six hundred & seven & 82 dollars, a portion
of the said six hund & seven & 42 dollars. I expended

in paying contingent expenses of the Regt, which
will be accounted for in my Quarterly Returns.

I very much regret that my Pay Rolls are
not as neat as they should be, but being the
Rolls of our first payment, I hope they will
answer. My next Report will come forward as early
as practicable.

Sir

The condition of affairs in regard to the appointment of Maj W. D. Peck to the duties of Quartermaster of this Division and Capt. Lovelace succeeding him as Qu Master of Kershaw's Brigade, seems to require some action at the War Department. Maj Peck was directed to assume the duties of his present position by order of Maj Gen McLaws about the 1st of Sept last.

Capt B. F. Lovelace A. D. M. 7th Sola Regiment was directed by me as Brigade Commander to act as Brigade Qu Master, supposing that Maj Peck was permanently and properly assigned to duty for the Division. I sent up the enclosed application that Capt Lovelace be promoted. As much confusion would result by returning these officers now to their former positions both being efficient and meritorious officers, I respectfully ask that their several assignments to duty be authorized by the Department in the manner required.

Dear Mr. Carver:

This is in reply to your letter of 6 May 1952, herewith returned.

The records show that one Joseph Lovell was appointed 24 May 1861 Aide-de-Camp to General Charles Clark.

He was appointed as 1st Lieutenant and Aide-de-Camp, Confederate States Army, from Mississippi 28 September 1861, and ordered to report to General G. S. Smith.

On 10 October 1861, he was transferred to the Staff of Major General Mansfield Lovell. The Returns for November and December 1861 and January 1862 shows him as Captain and Aide-de-Camp to General Lovell, Commanding.

On 1 May 1863, he was mentioned by General Lovell as Captain and Aide-de-Camp, and ordered to accompany him to Charleston in attendance on Court of Inquiry.

He was surrendered by Lieutenant General R. Taylor, Confederate States Army, and was paroled 20 May 1865 at Noydian, Mississippi.

Sincerely yours,

Sir.

When I was in command
in New Orleans, circumstances occasionally
arose which rendered it necessary for me
to use for the public interest my funds in
my hands. Vouchers of \$1.4 and 5 of the
accompanying papers were paid in that
manner, the 1st to meet an absolute
case of want of food for some of our
troops in Texas and the other two to
commemorate arrangements for the
destruction of cotton - They give no
evidence nor approval of the expenditure
upon the vouchers before they go to the
Auditor. Mr Benjamin approved in
a portion of one of his letters the first
expenditure, but it would be more

in order to have the approval
endorsed on the paper themselves.

Very respectfully,

The paper has a slightly textured appearance with numerous small, dark brown spots scattered across its surface, which are characteristic of foxing or dirt. A vertical crease runs down the center of the page, and the right edge is slightly irregular. The overall tone is a warm, off-white or light beige.

This image shows a blank page with a light gray background. There are several small, dark specks scattered across the surface, which appear to be scanning artifacts or dust particles. A faint vertical line is visible near the left edge of the page.

Report of the Second Audit of the Treasury on the
Claim of Edwin Herber for a "Lighter" seized by the Eng.
Authorities and used for obstructing water courses at Roanoke
Island.

Many claims similar to the one under exam-
-ination have recently been placed on file in this
Office. Without entering into an investigation of the
evidence produced to support this claim, it is respec-
-tfully submitted to the Comptroller for his opinion upon
the legal questions, as to whether any appropriation has
been made by Congress in the payment of such claims,
and if so, out of what appropriation are they to be paid?
With all due respect to the opinion of the Secretary of War
enclosed herewith, I do not believe that this case is such
an one as was contemplated by the Act making an approp-
-riation for the Engineer Service, nor do I think that claims
of such a character were intended to be embraced in
any appropriation yet made. They can stand in no better
light than claims for houses, and other property taken or
destroyed by our armies in the payment of which no
appropriations have yet been made. If they are to be paid
out of the appropriation for the Engineer Service, the amount
appropriated will be wholly inadequate, so num-
-erous and so large are the claims. All of which
is respectfully submitted.

Dear Sir:
I am pleased to hear of the success of the
American Ornithological Union in the
publication of the "Journal of Ornithology".
I am sure it will be a valuable addition
to the literature of the subject.

March 22. To J. L. Linn for items from the same as in No 20. Suspended for reasons stated in No 20. In the account an charge of stones for steam stamens, almost identically the same as in No 21, where the stones are charged as purchase of the same man, J. Linn and for the same stamens. It must also be explained why so much cotton was needed for the same stamens in short space of eight days.

55. To William Doughty, for Carpenter work, building a steam or engine for stamens Baltic vessels. Bill amount \$1,000.00. Same as No 20. Suspended for reasons stated in No 20. In all these accounts of William Doughty, so far as examined, the Carpentering and painting is charged as done to the same boat in the space of one month. The accounts are large and it may be regarded as almost a badge of fraud that in some of them there seem an attempt to give the items. They must be fully explained, before they can be allowed.

HEAD QUARTERS, DEPT. No. 1.

C. Sim. Columbia, La. 23 April 1862

Genl G. T. Beauregard
Comd^r at Corinth

My dear General:

In reply to your telegram, Major Munroe, my Quartermaster, informs me that fifty (50) flags were forwarded to you in charge of Capt Rumble A. G^d. Mr T. Ref. Miss Vol on 25 Feb^y: on the 29th March, 47 Flags were sent to Genl Polk by the hands of Capt Ruckman formerly of Genl Ruckman's staff, that on the last day of March no more were sent by a gentleman whose name I cannot at the moment recall.

The bombardment of Fort Jackson continues night & day, this being the sixth day. Our casualties have been five killed and ten wounded. Although 1000 shells and shrapnel have fallen in Fort Jackson, but few guns & they of the lighter caliber have been dismounted. Fort St. Philip is

comparatively untouched. The "Longueville"
has gone down and will take a position
between the fort & a floating battery not
yet being completed or originally designed.
She will be a great addition to our
strength upon the river & will offer great
resistance to the ^{passage} ~~escape~~ of a steamer by
the land works.

Yours truly
M. M. M.

New Orleans 17 April 1862.

My dear Baugues.

I intend to join
Lieut Brown of the Navy an officer
standing very high in all respects, as
regards ability, professional ability and
discretion. He goes from me to you
Confidentially to explain to you my
last condition, and to bring from
you such information as you would
impart to an inspection. Some
of the disasters already incurred, might
have been averted by a few interchange
of facts between Genl Johnston and
myself - I do not expect this from
you - If I can clear the mouth
of the river we can send the
Louisiana, Mississippi and eight
Cotton freighters you want. I have

Some newly organized regiments of infantry
without arms - relying for the protection
of their lines upon volunteers & militia
with shotguns principally. We have
the whole of Porter's river fleet
and fifteen ships of war (steamers)
in the river below, for the purpose
of reducing our forts. With the
Linnicians we can chase them
out, and then give you a strong
helping hand - Give me your
exact condition in confidence
and you will have some fine
Lieut Brown and we can then

act advisedly & in concert.

My own obstinacies have been partly
caused by high water. If I can
replace them I can hold the army
at bay - Lieut Brown will speak
with you as to the fortifications

Introducing Lieut

you truly - I am full of confidence
& hope - We cannot deliver you
now unless we get arms, altho
I have ordered all ammunition &
munitions that can be spared
to be sent to you - We have about
the City 15 forty two's & 3, 24 pdr

Sir

Capt. Gibson's battery (4 rifled
6 pdr & two 12 pdr howitzers) has been detained
for want of transportation, but will leave
to-morrow morning for Nashville.

Capt. Bains has received his battery, with
the exception of a portion of his horses, is
ready to proceed to join your command, but
as his company is totally untrained, I have
thought it best to retain them at their encamp-
ment on the Jackson Road to drill &
be reduced to something like discipline. If
however you desire to have the guns & men,
I would prefer to have the men instructed at
Nashville. I shall order them there upon
the receipt of a telegram to that effect
from you.

Respectfully, J. B. St. Louis

Sir: I have ordered two
line piece batteries, Capt. Gibbons and
Bain's to proceed to report for duty
further orders at Nashville Tenn.

Capt. Gibbons' battery is now at this
station. I am in every thing in 2 horses
which I had ordered to be supplied him
but concluded to let him go without,
as I believe better and cheaper horses
can be bought in Tenn. and because
there will be a saving in transportation.
Capt. Bain's Company is waiting at
Jackson Rail Road at Vaiden Station.
His battery, fully equipped, is in this city.
Capt. Bain will be here in a day or
two and take it up with him at
once. This battery is also in need of
horses, but there can be no difficulty
in furnishing it in that particular
in Tenn. A portion of the harness
for the battery has already gone

forward to Nashville in the 100 sets,
which were sent by Maj. M. L. Smith,
the rest about 30 sets, the Captain will
take with him.

Capt. Bains' Company is composed
of four smooth bprs. and two 12 pr
Hunters. Capt. Gibson's four rifled
bprs and two 12 pr. Hunters. I
have supplied the smooth bore pieces
and the hunters with 50 rounds
of ammunition and will endeavor
to supply the same amount for the
rifled guns.

I have succeeded
in getting ready for operation, though
parts are here, the powder mills which
should make us 4 tons per day
when in full blast.

I have an abundance of Sulfur
and charcoal but am very short
of Saltpetre. Can not get more than
enough to keep the mills in operation
for a week - I learn that there
is a large quantity of Saltpetre
at Nashville and that there is
mining there constantly from
Caves in Alabama & Arkansas.

If this be the case, I beg you will
let me have as many tons as
you can spare, as we are very
short of powder here, and it would
be more than well to have the
mills stand idle for want of
the proper materials.

If the report into Nashville is more
than can be made up, I trust you
will send me all the surplus.

attention I remain,

Dear General.

I telegraphed and subsequently
noted you in reference to fortifying
the vicinity of Hickshury, for the
double purpose of protecting the river
and giving you a point d'appui
for the left of your line in case
you are compelled to occupy a
position in rear of your present
one - I have some 12 or 15 guns
in position above New Orleans,
and in case others could be got,
in might as soon as the mules
are finished and the platforms
got ready, transfer our batteries
to that point. There is no Engineer
officer here to be sent on that duty
or I should have fortified Hickshury
long since - Have you any one
in your army, or with the help
of a few thousand men?

put up the mules and therefore
delay the coming until we can
finish Tipton & see that steam
can. I will give all the
assistance in my power in
pushing forward this matter, but
with the limited means at my
command and the coming Thanksgiving
at the door below, I cannot give
it personal attention.

Mr. L. Smith, now a Brig. Genl
is on duty here with our or-

close to the Engineer Bureau of the

Vicksburg strikes me as of pressing
importance, and if you agree
with me I will endeavor to
push it as much as possible.

Dear General,

I received your order of 24th Feb. & 3rd March. I have ordered the additional flags that you wish.

I have pushed forward to your support every available man. 7 cos of the 1st Regt left yesterday, the remainder will leave on Saturday with the Washington Artillery. I shall also send you the 20th Regt and the Orleans Artillery with a battalion from that Corps. Tibbitt's and Prudden's Artillery had already been sent. You will hear in all from me the infantry regiments need four batteries of Artillery. Full forty rounds of ammunition (in some instances 100) have been furnished in every description of troops sent me. I shall have to hold up some, and look out a little for New Orleans. I asked Bragg for some 10, with guns but he had none to spare; New Orleans has inferior caliber to Mobile, Pensacola

[illegible]

and even Galveston. People send here
for everything, and I have literally
stripped the Dept, but never get anything
in return that I ask for -

I made and used June 12th to
send me the anchors & chains from
Columbus, to obstruct the river at the
Isle below the City, but he recommended
and chose to finally abandon
them at Columbus. I intend however
to hold on to what I have got until
I feel perfectly secure - If you can
put me in the way of getting
any large guns, chains or anchors
I beg you will do so -

In a few days we hope to be
able to cast 10 inch Columbiads
& sea coast mortars.

Major

On the 16th inst. I forwarded
the following Miss. the only change
in the Defences is that I have
two earth mounds across the line in the
place of other barricades; the Commandg.
Officer informs me, he has not time
to get negroes until the 18th inst.
when they are coming, under an order
to join them. He thought he should
be able to finish the Defences in three
days, with the number of hands he had
at his disposal. He reports that he has one
independent Officer, and wants two others
and a sub. He sends. I enclose
the reports of the Commandg. Officer and Capt.
Seymour a Trinidadian, which are respectfully
submitted; by the morning report enclosed
it will be seen that the Commandg.
Officer, or Trinidadian, has not a sufficient
force to protect the Government property
and keep good order and discipline at this
post, particularly when liquor is allowed
to be

attached to the soldiers and others, I
would respectfully suggest, that an extra
detachment, at or near Meridian, be
required as soon, should it come, I would
also suggest that the Comd'g Officer
at Meridian is furnished with a stronger
guard than he now has. The Comd'g Officer
Dr. Master and Surgeon, report, that stra-
ggles and drunks from the camp pass
through Meridian daily and that Ladies
who are detained in that place, are
constantly exposed to drunken men, using
vulgar and obscene language, and that
they have not a sufficient guard to
limit them, I have directed Capt. Row,
should it become necessary, to call on
the Comd'g Officer of the Cavalry Company
at Marion, until further orders.

and have been most actively employed nearly
the whole time. An Officer without any military
education & no experience in Artillery. Has lately

value has been placed on my experience & services,

Sir

Yours of the 25th March 1863. just came to hand. I have been on a trip with the mounted men of our Brigade through a portion of Kentucky which will account for its not coming to hand sooner,

In reply to your interrogation, whether I have a return to make for the month of December 1862, I will say that I have not, because I did not issue any thing in that month, the men of the old Battalion were discharged in November, and the Battalion was then reorganized.

I herewith send my report on the march of May 1862, which I made out without the assistance of any one, and offer that as an excuse for any errors it may contain, will be pleased to have them pointed out, and will gladly receive any instructions you may choose to send. I should have reported at an earlier date, was prevented from doing so for the lack of blanks and stationery, finally begged enough of each to make out the accompanying report.

Called upon the Brigade Commissary for blanks and stationery, got a few blanks from him, said he could not spare any more and that I must send to Richmond for them.

Called upon the Brigade Quartermaster for stationery &c. said he was not the proper person to supply me with the articles required, but succeeded a few days ago in getting a little writing paper, two small blank books, 14 ep. letters and some envelopes from his department, as an accommodation.

would be pleased to have you send all kinds of pens, blanks, letters, and anything else necessary to facilitate the business of an assistant Commissary.

Chas. L. L. L. Provost Marshal

Report of Persons, Vessels and Expenditures,
connected with defense of Corpus Christi Bay, and Charleston
and arrangements in relation thereto

Office of Provost Marshal San Antonio
August 21st 1862

Major G. F. Tracy
Lt. Adjt. and Dist. Capt. & Adjutant
San Antonio

By reason of a request from Major G. F. Tracy, commanding the Post, published upon Special Order No. 4th S. U. , made date of 27th June, a certified copy of which is herewith annexed, I am with pleasure transmitting the following documents, to wit:

1st Report of Prisoners, Men and Articles, employed since 1st July, in defense of Capital & forts.

2nd Report of Material and Articles purchased and used for same purpose.

3rd Concurrence Report of all due by the Government to persons for pay, and in price of Men, Articles and material.

4th Account of Stoppage in favor of parties, for advances made to Employees, and to be deducted from their pay.

The first Report exhibits the name of all Prisoners, and Men, the names of same, employed, and, more, single or taken, for account of the U. S. Government, also the time or rate of compensation, pay or wages, and length and nature of service. The second Report shows indebtedness contracted in fitting out and repairing vessels, and names of parties to whom due. The 3rd one shows the name of each and every person having a claim against the Confederate States, either for services, or on account of loss or loss of property, or for articles and material sold, with the amount due to each, and total amount of indebtedness on account of expense of Capt. G. F. Tracy and Major Tracy.

It will be seen, that the following were the vessels seized and used for obstructing the Channel, viz: Schooner Confederal, and Relief, and Ship Iowa, appraised at \$3300 each. As a case of the Relief, an account for \$1500 is one of her appraisement, composed by Capt. J. A. Hays, 1st Lieut. H. & George, and as Provost Marshal, and having the appraisement attached, was delivered to the Major G. F. Tracy. The appraisements of the Confederal and Iowa, marked respectively A, B, are herewith transmitted.

The Schooner Pemrose was seized, and her appraisement at \$5000 with C is also herewith transmitted. The Schooner Queen of the Bay & Breaker, as well as the Ship Hannah, Pirreca, Miriam and Swan, were chartered from San Antonio,

and the charter parties of the first five names, respectively marked D, E, F, G, H are also enclosed herewith, but that of the sixth has been mislaid or lost on the removal of this office and is presuming to be the attack of the enemy. — The Schooner John Bee was sent to the point by Major Shea, commanding at Salina, to obtain a crew, and coming to the entrance of the enemy in Long Bay, no superior force, was discovered, and under command of John Harrison, its captain, performed duty since the removal of the enemy's office at the point. The vessel is said to be owned by George Bushkoff of Macgregor, and to have been taken from him by Major Shea, who places her in command of Cape Harrison, but no information has been furnished upon the subject to this office. The Schooner having been ordered into Mexico River by Major A M Hall, after having received her at Anacostia, Capt Harrison kept her in charge of her motions, and returned to the command of Major Shea.

Of the above named vessels, the following are now moored in the Mexico River at a new wharf, to wit: John Bee, Queen of the Bay, Sloop Rebecca and Harmon. The Sloop Harmon is at anchor in the Laguna. Mexico. All these vessels are in complete order and repair, light and staunch, and well fitted. The John Bee and Rebecca have extra decks and are strong enough to carry a 12 lb Iron Gun and the latter a 12 lb light mortar.

The Sloop Brecker was captured by the enemy, on the 12th Instant, while on a reconnaissance under Capt Jones & Lieut Emigan, with a party of soldiers of Major Fitch's Battalion. The report of John Harding, acting master and commander of this vessel is herewith presented, marked I.

The Brecker is now in the hands of the enemy and carries a 6 lb Rifles cannon. The Schooner Penelope, alias "Major Minder", was burned by Capt W. Jordan, her commander, at the Anacostia wharf, which agrees, to prevent her falling into the hands of the enemy, on the 12th of August, Instant. She has been fitted to carry heavy armament.

The Sloop Harmon, was also burned on the 12th Inst, by Capt J. Jones, her commander, to prevent her falling into the hands of the enemy. The report of her burning, marked K is likewise herewith forwarded.

The expenses incurred may be classified as follows, to wit:

The <u>Penelope</u> built, owned & captured	15600 00
" <u>Penelope</u> stored	2434 35
" Pay of crew and marines	1995 50
" <u>Penelope</u> & <u>Harmon</u> , <u>Laurel</u> - Expenditures	592 50
" <u>Penelope</u> and <u>Harmon</u> in <u>penelope</u>	1545 20
Total <u>Costs</u>	22167 55

P.S.

Your boy Tom is ready to leave next week to wherever you may order him; but as you seemed to have written on the subject, partly on account of ~~an~~ apprehensions relative to a landing here of the enemy and his possible abduction by them, and partly on account of his or his employer's failing to pay up wages, and as this being unproductive, from which I concluded that you did not actually require him for a servant in San Antonio, I now write you for further and positive orders, according to which I will at once either send him on, or tell him to remain. — Tom tells me, that up to 1st of June his wages have been sent to you at Bohnd by the stage, he not knowing that Mrs Bee had left there. As to the Lincolnton, I suppose, that our late victories and the heat and lateness of the season, will have a tendency to keep him from our shore until next winter at the soonest. — If then Tom is not needed by you personally, it would seem that the reasons which do exist for his removal since, have ceased. He is now both to go, having as he says his family and old woman here, and he thinks "it is rather hard upon him, to separate him from them". But he is obedient to you. He said he thought the General had plenty of negroes that he could choose one from for a winter or long servant, and when I admitted this to be correct, but that you had none as suitable or trustworthy as himself, he appeared quite pleased, and at once expressed his willingness to go, if you actually needed him yourself. — Again I have seen Tom, and Luckett wrote me, that you had written to him, that you were on your way to Fort Brown via this place, and if so it was as well to let Tom remain until your arrival. — All would be glad to see you.

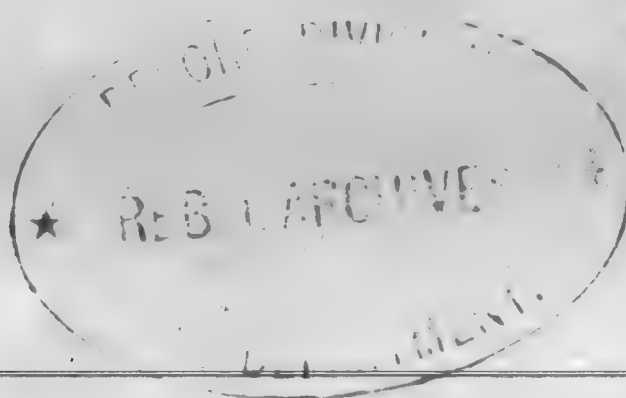

and I am satisfied that your presence everywhere would be highly
beneficial to the service. - My own opinion has always been, and
is, that the commanding General should see for himself and not rely
upon reports exclusively. -

I sent by Capt Ireland the Polakos pistols I promised
you; - they were made in Germany many years ago "to order", and
from the price they cost, they ought to be worth keeping. I trust
you received them. - I have some very fine cigars intended
for you, and if you are not coming out here in person soon,
I will forward by mail to you at San Antonio. -

By next mail I will write you officially re the
Panama - money & liquor business.

Very truly, Yours,

Wm. L. Garrison

General

Your official letter of 15th Inst. has

just been received and contents noted. The \$12200 Mr. T. will
be returned by the Dr. Mr. in the morning. The whole matter was an
amicable proceeding, all parties concerned being actuated by the same
motive of benefitting the cause by placing means in your hands
for public purposes; and as it was arranged, no harm ^{or loss} could result
to any individual or to the Government. I never felt the fraud for a second.

As to the liquor question, I issued the order to effect the purpose by
fear of consequences, without ever even dreaming of executing the
threatened ~~penalty~~ penalty. In all instances but one, parties
stated that they had no stores for sale, - that those on hand were only
for private use; - and this ended the matter with them. In the
excepted case, one Barrel of whiskey was stored by the Dr. Master,
and this I shall have returned to the owner to-morrow. No

excitement or dissatisfaction resulted from the proceeding. -
What I aimed at was to prevent the selling of liquor to the army
and this evidently has been accomplished as far as desirable; for
since the order, I have not had a single case of drunkenness.
Of course, liquor is still sold ^{in the city} but those who sell, know the buyers,
I presume, and refuse it to those who would abuse the use of it. -

explained everything in connection with affairs here, and to your satisfaction.

I shall endeavor to do nothing that will give just cause for criticism or faultfinding, either with you or the people; but fear of public opinion shall never deter me from doing what I conceive to be my duty; or, ^{that which} under peculiar circumstances, may conventionally, believe to be necessary or beneficial for the good of the service; and whenever it becomes evident, that as well my motives as my actions are misjudged, either by you as my superior, or by the people in whose midst I have my all and my home, I shall at once deem it due to you, to them and to myself, to tender my resignation. —

Thus far the people, as far as I can hear or learn, are pleased with the working of Martial Law. All is peace and quiet. I am told, that old citizens here and in the country, declare that they never before felt so secure in their persons and property.

Judge Mc Kemy arrived here last Monday a week ago, to hold Court, and as he has named J. B. Murphy as District Attorney, and Geo. Graham as Sheriff, — I had appointed Mr. Cottons Sheriff pro tem, all of which tended to create excitement and form the old feeling of opposition to his Honor, — while at the same time public opinion was decidedly against the necessity for holding a term of the Court, I much feared serious difficulty to arise. I had even been officially addressed in writing, by a number of our first citizens, to take steps to induce the Judge not to hold any court; but of this I took no notice. — Being however responsible for the peace and tranquillity of the community and place, and as I

conceive it, bound to sustain the civil authority, in the exercise of its functions, when not conflicting with Genl Order No 45, to prevent any possible display of opposition to the Court, I caused a guard of 10 men & 1 sergeant from Capt Ireland's Comp', to be placed at the Court house, with instructions to maintain order in and about the place, and to execute any order of the Judge communicated to them through the Sheriff, not interfering with Martial Law, and of this I informed his Honor in writing, officially. — However, the Judge forthwith dismissed the Guard to their quarters, and since has been holding Court, and now is; but without doing any business. Judge Brown & Messrs Bigelow & Hale were here, but left as they became satisfied, that no jury could be obtained. —

Reports of quite an alarming character reached here from time to time, to the effect that, through fear of certain unmorganized bands of soldiers from Col. Carden's Regt, who represented themselves as authorized to press arms and horses for the army, many Mexicans, to the number of 150, had abandoned their homes and fled to and concentrated at the Rancho Concepcion, near the Agua Pozzuta, and were about committing depredations. I sent out two of my Deputies to make enquiries and to see the parties; and they reported on their return, that through the influence of Jas Vale and Juan Garcia Ramirez the fears of the Mexicans had been quieted, and those who had been at the Concepcion (only some thirty odd) had returned to their homes. Last week however, owing to the fact, that some 20 soldiers, said to be under a Lieut Pitt of Capt Montgomery's company, Carden's Regt, had again entered our country and provided

to press arms and take horses, another and much more formidable stampede of Mexicans was reported to have taken place, and several applications were made to me for protection. Under these circumstances, being unable to do anything without Cavalry, and having none within any reasonable distance that I could call on for aid, and capt Ware's company being camped on the Des., full, and awaiting a Mustering officer, and besides knowing your wishes and views in regard to the company (as expressed to me in your letter of the 22nd), after satisfying myself that they had 60 Rank & file well mounted, duly enrolled & sworn, I called upon capt Ware for a detachment, to proceed with one of my Deputies to the Mexican Ranchos and quiet matters.

The request was at once complied with, and the scouts are now out. I am satisfied, that by a prudent course, and with these mounted men, we will have peace and security between this and the direction of Laredo. —

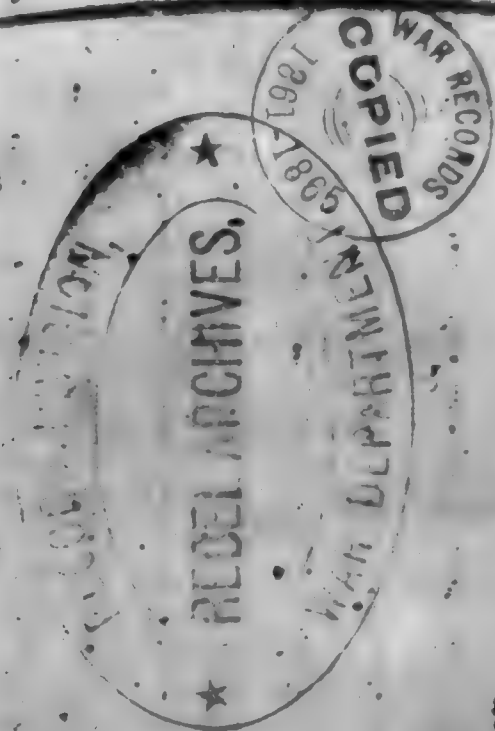

The material of the company is excellent, and all the officers of rather superior order. They are now in quarters here, in Mrs Mann's old buildings on the Beach, which afford fine stables and good water; and I think that they ought to remain under the command of capt Ireland. Being along side of the Legion Camp, which is a most superior one, will have a most healthful and beneficial influence on the esprit-de-corps of the Cavalry men. —

No news from Mexico, and no enemy yet in sight, or within hearing. — The munitions of war, which were stored here, have been sent forward by water, under escort, to Matamoros. — Only about 100 Bales of cotton now remain here, — and very truly dangerous.

My dear General

Your favor of the 19th came to hand Saturday night, and contents are all duly noted. Your orders, contained in yours by preceding mail; I informed you would be promptly complied with, and of course, I have acted accordingly. The tax money is now on its way to Austin. What I wrote you about it is the plain truth. All my action was the result of a perfect understanding with Mr Howell, and done at his own suggestion. Why he wrote such a letter to Mr Combs, I can not comprehend, but as he is now out of town, I am at a loss to give his explanation. I trust, you do not doubt my motives in any act in my official capacity, and as long as you do not, I am perfectly willing to get your reprimands for doing too much; but you may rest assured, I shall change my orders, and never commit the same offence twice.

The Blockader is still invisible, but it is said that she is standing off and on at sea, to draw our merchant vessels out from our harbors and decoy them with their cotton. It looks reasonable, and I am fearful that those who recently, or now, run the Blockade, will be caught by the enemy. No news from Brownsville. Everything here is quiet, and all seem satisfied. The District Court adjourned, finding some indictments for selling liquor without a license, and trying on cases shakens. His Honor is still here, in bad health, and much pined. I was fearful, that he would have had difficulty; but as it such case, all blame would have been charged to me; I took every necessary step to prevent it, and nothing of the sort could have been done in consequence without exposing the perpetrators. He did not report himself at my office, no take-out a passport is required, though informed that it was requisite; but under the circumstances I let him pass. Major Clark was here and inspected the troops, quarters, and public property. He expressed himself much satisfied with all. Left for San Antonio yesterday morning. As I informed him that you wrote me that Genl. Robert would establish his HQ in San Antonio; and that you would leave via Corpus for the Rio Grande, he told me, that he should hold back his report until your arrival here, when he would come and see you in person. The Major is a fine officer, and

understands his profession in its details. He drilled Capt Ireland's comp^y for some two hours in my presence and caused them to execute every evolution and movement laid down by "Hardee", showing himself perfect master of the drill. He tried the ammunition on hand, and made a thorough inspection. - - It strikes me, that to secure the proper defence and guarding of the coast from Matamoros to Corpus Christi Bay, and render your troops on this line efficient and fit to cooperate with one another at all times, you ought to place all under command of one officer, and the Major, in my opinion, would be the right man in the right place. No officer could object to this as long as his first commission is, if I am not mistaken about him, and his present rank, he is senior in the service. -

As Capt Wm's company are doing duty, I returned the detachment I had from Capt Neal. - Mustang Island has been cleared, but on ~~the~~ ^{Bridge Island} ~~island~~, though some 5000 head of cattle have been taken off, there still remain some 4000 more; and in these the owners are yet at work. So far as the authorities here have been able to do so, the owners have received every assistance. With St Joseph, I have been in very intimate, as Capt Neal continued to exercise authority over it. -

I rec^d a letter from Mr Miller, Provost at Brownsville, to the effect that Azaputa Lorigoria of Matamoros had intercepted 200 mules, to be kept in this vicinity for the Yankees, when they land; but at the same time under the pretence, that they were intended for the market in Galveston, I also was informed, that Beavers to a large amount had been purchased in this country, for cash, by Mexicans, and were kept some where in a large Grove, to supply the coming after their arrival. I have a reliable Deputy with a detachment of Capt Wm's best men on the trail of them, and will report the result. To be successful, it was necessary, that the men sent by me should have some specie, and I had to raise it on my own credit. - This is one of the benefits of my office. I have also had to pay for stationery, blank Books and printing, - and office furniture, nearly \$200; but did it with out thinking or caring, when or how I might be reimbursed. - When you come here, you will find my office in first-rate order, and certainly not inferior to any one in Texas. You will find system & order.

Capt Ireland is still absent, but his office gets along just as well. The company used cartridge Boxes & Belts. They sent their Rifles without these accoutrements and without Bullet measures. The Non-commissioned Officer

and swords, and the comp^y a Donum and Life. Could you not
send them there, before you surrender the Depot? Be assured
that there is not another comp^y in the ^{in Texas} service, that has as fine
material, or that can do you as much credit. To a great
extent this also applies to the comp^y of Capt. Ware, and the horses
of this comp^y are superior to those now in service on the Rio Grande;
but the men lack proper arms and ammunition.

The mails are very irregular on the "Giddings" Stage-line.
The proprietors or managers seem whenever it suits and seem to change
their schedules from week to week. It is now stated, that they will
discontinue it altogether, and this is certainly a great pity and a
serious loss to the traveling community.

I find, that no enrolling officer has been appointed for this
county or District. There are a good many yet left, who ought to be
looked after and made to do their duty and share in some way.
Are you not going to enforce the conscription law in this section?

We have no letter-paper at this point, and hence you must
excuse my apparent want of etiquette in addressing you on this
formidable dimension of "foot-camp legal".

My health is nearly entirely restored, and my voice much
improved, so that in case of any necessity, I am physically able to
go into active service when needed. Hoping that Mrs. Bee and
family are all in good health, and contented in their new home;
and trusting, that the time is not far distant, when you will reap such
benefits and fame as your services, energy and talents entitle you
to, and as your most ardent ambition may aspire to, I remain

Most truly Yours, Jr

Col. John S. Ford
Comd'g Ex Forces U. S. P. M.
San Antonio.

Col:

I have received the following information, which, deeming of importance, in the absence of Mr. Adams with a recommendation to the front & West, I consider proper and necessary for me to communicate to you. The source I believe to be reliable.

Col Hamilton has returned to the State of Cameroon & established his seat of Government at Brownsville, a term of the U. S. Dist Court is to be held at that place on the 1st Monday in April and another term at Corpus Christi on the 1st Monday in May. The jurors have been summoned to attend at these points, taken from among our renegades, or as the enemy call them "the Refugees". Heavy purchases of mules & horses are being made for

species, in Mexico - on the Rio Grande,
the choicest shipped to New Orleans,
and the rest to Padre Island; at
this latter place there are now about
500 Cavalry & Artillery horses. The
forces at Brownsville number about
1000 men, including rangers and
Mexicans, and those at Point Isabel
and mouth of the River about 1000,
principally negroes.

The Cavalry Regt of Col Haynes
has completed its organization and
taken the field. They number about
150, a portion of them are at Las Animas
another at the "Tajos" while still another
is now at the Alazan and neighboring
engaged in gathering stock & driving
it off the coast.

The Regt of Col Davis, number-
ing only some 150, but composed prin-
cipally of rangers, is camped in
the vicinity of Rancho Viejo and are
under orders to move at a moment's
warning. A forward movement is
being made from the Rio Grande &
Padre Island, at the same time,

April. The country from the Rio Grande to the Mucos is now held, Corpus made the principal Depot & the 9th made the organization & completion of a corps of invasion to be perfected within these points. By the latter part of May it is expected that they will accomplish this, and then an advance will be made on San Antonio, and Austin, which are the Chula de de hazards.

The force at present on Padre Island numbers about 300 soldiers, & about 120 negroes in command of Maj Thompson. The negroes are armed but serve in the ranks only in case of a fight; at all other times they are worked hard as laborers or servants, receive \$9.00 per month in Green Backs and soldiers rations & clothing; they are treated as menials and are all dissatisfied. The command has not been paid for eight months, and are all ragged and dirty, & many of them bare foot. The 9th at Corpus has the Yankees

he was under arms with the pickets, when I made the attack upon them. It was stated by them that on the 4th of March they would return to Corpus in force, take all the able bodied negroes, make soldiers or laborers of the men, & cooks or nurses of the women, arrest and take away every man, white liable to duty under our inscription laws, or who has held or now holds an office under the Confederate or State Government. They hold out inducements to, and seek to draw all families to remove, offering them transportation free either to Mexico or any part of the U.S. held by their forces.

On the 17th Inst. the families of the following named Renegades left with them from Corpus, viz: that of John R. Peterson, J. Warner Joseph Fitzsimmons & De faubure, J. Ritter, Mr. Kelly - Hunters Miss Rankin, name Margaret, Henry J. Faubure, Edwin Steele Jr, A. Baldschmidt Ritter, Christopher Dunn, Grant Adams

Capt John Dix, Alamosa, storing
 with him a quantity of provisions
 to be distributed to all needy families
 as they say without regard to their
 political status. The families of
 Thos. E. Hooper late district clerk who
 with a son is in our army, and has
 than an other son killed in the
 service, are among the recipients.

It seems to me that it is decidedly
 wrong that the families of our absent
 soldiers, should be forced by want
 to eat the bread of their enemies, or
 compelled to accept their charity. Can
 we not ought not the commanding officer
 to supply such families with the
 necessities of life, at least permitting
 them to purchase the necessary amount
 of supplies, for C. S. Currencies from
 the Commissary.

Up to this moment no reinforcements
 of any kind have arrived, neither the
 4th Arizona Regt. Bankers, or Dumas
 nor the artillery.

I have the honor to be Sir

Col. H. E. M^r Southwick

Pres^t C's Army coming

Colonel,

I am just now called upon by cap^t
Bromley, coming camp^t Texas Rangers, on State service, at Laredo, in Fort
McJannet, to induce them one of the State service. They refuse mustering
into the service of the Confederacy unless for 12 months, dating from May last, and
I must emphatically told them, that they need not expect that could be would
be accorded to, as I concluded you would deem it against the interests of the service,
and the economy of the various liabilities of the State, to secure any 6 months service of the
fruits of war company. I suggested to them, that if they would consent to serve
for 12 months, I would use my influence with the Executive in Laredo, to have such
expressed terms made as your Honor Quarters, as might effect the issuance of an order
to such purpose, but they peremptorily declined accepting my proposition. —
Under the circumstances, I deem it most conducive to the interests of
the State as well as, the Confederacy, to at once muster said company under the
service. I will call your attention to the fact, that before determining it,
I have taken to have a price in the ground, for the property not already
of bringing to the service, among place and tranquility, but also to some
for loss or destruction, the Public Property, and in possession of said company, and
which I am assured as 100 Balle cartridges; 100 pair Hobbs' pistols, 50 Minuties,
accoutrements complete, and a very large amt^t of fresh ammunition and powder, some
some rations and mules. — If I proceeded to Laredo and muster said company
and, without the support of a military force to back my demands for delivery of the
Public property, perhaps the volunteers might refuse the same on the ground that they
had not been paid, or some similar pretence.

In these reasons I would most respectfully ask, that you of
the moment, by your order at Fort Brown, be ordered to forthwith appear to Fort Mc
Jannet and other Forts, and in me in the discharge of my duties in taking
possession of all Public Property at said place. If informed of this movement from
Fort Brown, I will arrange my departure hence so as to meet the muster company

upon their arrival at Fort M^c Intosh

I would also ask you, to designate
some one of the officers of said company, to receive from me whatever property of the
late U. S. Government I may wish to turn ^{over} to the Confederate States at said point.

I have the honor to be, Sir,

My dear General,

I have been and am very busy, and hence can not write you but in a hurry. Marshal Law here works to perfection, and I think nearly every citizen is pleased with it. Perfect peace and order now reign, and all seem to feel secure in their persons and property. Capt Ireland and company give universal satisfaction, and the most perfect harmony and understanding exist between them and your Marshal, while I am well satisfied that nothing will or can occur to interrupt these pleasant relations.

I enclose you some letters from Col. Lockett, Capt Neal and Mr Redmond, which when read, you may destroy.

The parties who carried off arms go at Rancho of Major Belden & Russell, I wanted to be pursued, but they escaped through Live Oak. They are represented to be on patrol from Col. Carters Regt, and under command of a Lieut Cook. They stopped a Mexican train, and disarmed the driver. - I will soon furnish you with most of their names.

All goes well except that through the position of Capt Neal, who is now here, and his peculiarities, Captain Ireland, as well as myself, are annoyed and crippled a good deal. I wish you could issue a special order, sending Capt Neal out of his company.

to King's College Barracks, and leave Capt Jackson in untrammelled
command here, and of the island of course. Also that you
will ~~write~~ ^{write} Capt Jackson to release Capt Ward, and give him
power to take all necessary steps to defend the island ^{as best they} ~~properly~~
to Providence. The Monte Christo is broken, but the pilot
that 'Tom' Liden is the proper man, and at Providence there is
a vessel, called the 'Fairy', which must answer. He now proposes
by the messenger of David Stearns with coast survey — and
departure. —

Grand. From Brownsville I expect to say, that over one not with
as you might not. The security is felt here a threat, and mention
as proposed, while commerce has been driven off to the other side.
I am told that Mr. Whitsett collected \$5. in specie on each. Back of
the other evening Mr. Rice, and one day when four others and
Confederate notes. Also, that Mr. Myers, being well, drops \$50.
purchasing a new stage in specie, or \$100. in Confederate notes.
placely, such note depreciate on currency, and might not to be
suffered for a moment. I have posted your note No 13
in the stage office here. It will take to know your private story,
upon the subject. I think you might to push on to Fort Brown, in
hasten. I send Mr. Rhymer, one of my deputies, with all
official communications to you. He is intelligent, and can
give you much information. Hoping this will find
you and your contact, happy & prosperous, I remain
Very truly Yours

REBEL
WAR DEPARTMENT

I have the honor to report, that this office is now fully organized and in active operation.

Enclosed, I transmit copy of my notice to the citizens of this Jurisdiction with the rules and regulations adopted, and the names of Deputies appointed by me, all subject to your approval. You will also please find forms of "Passport", of "Permits to Citizens", and of "Letters of Protection" for Mexicans; the last named of which are granted to all Mexican Rancheros, bona fide residents of this Jurisdiction, and to all servants or vaqueros, upon the conditions set forth in such protection. It is expected and believed, that this latter measure will impart a feeling of confidence and security to that class of citizens upon which the extreme West is now mainly dependent for labor; — that it will have a tendency to bind the servant to his employer; and by making, to some extent, the former dependent upon the latter, that it will produce obedience and discipline among the class of servants, while at the same time, the whole of this class of our population is thereby placed under a direct supervision and control of the Government, it being my intention to suffer none to remain within the Jurisdiction who fail, neglect or refuse to come forward and obtain said "Protections".

Having found, that without the aid of Cavalry, it would be impossible to discharge my duties, I called upon Major Yeager for detachments from the comp^y of Capt Donnelly, in camp on the Rio, and this requisition was promptly

complied with. I was also forced to call upon Capt Neal for a Detachment of men under Lieut Malby, which likewise was promptly furnished; and they are now under orders of the commanding officer of this post, with a view to service opposite Corpus Christi pass and the ford to Padre Island, these being the points, where those who are disposed to hold intercourse with the enemy have crossed and can cross, unless properly guarded and watched.

Under the several Orders from the Mil^y authorities, and Genl Order No 1 from these H^q Quarters, copies of which I enclose, all trains loaded with cotton, and improved with proper permits, have been intercepted and stopped by my deputies; and the same are now in charge of Guards near the Rancho N^o 10^o Estancia, subject to your further orders. In nearly every instance the Bills of Lading showed, that the cotton was consigned to parties in or of Matamoros, Mexico.

To enforce your orders and make your proclamation effective, I entertain the opinion, that the Reef, - Miller's ferry - and the crossings at the Valeria, - at Oakville or Sulphur and near Fort Lowell, - should be guarded by mounted men, and as nearly all American born citizens, capable of bearing arms, have left to join the Army, it is absolutely necessary, that frequent scouts be sent and kept out about all exposed and distant settlements, not alone to inspire a feeling of security with those left at the different Ranchos, and in charge of stocks, but also to deter and prevent Indians, thieves and marauders from committing depredations within this immediate Territory. The late raid on Mr Bolden's Rancho, the robbery at that of Major Russell, about which I sent you information heretofore, and the recent appearance of Indians at the American ranches, sustains this my view. I would therefore most earnestly urge upon you the necessity of having an efficient Cavalry Company, subject to the orders of Captain Ireland.

I have the honor to be, Sir,

JURISDICTION OF THE CAMP AT CORPUS CHRISTI, TEXAS.

General,

From the letters of Lavantburg & Co, heretofore forwarded to you, and from others written by the same parties, and read by me, I became satisfied, that said house was closing up its business, concentrating its assets, converting all paper money, and Bills or Accounts receivable, into Cotton, and preparing to quit the country with said cotton and all available means. Such conduct, I deemed it was against your policy and that of the Government, you represent, to suffer in these parties; and hence, when Mr L. Lavantburg arrived here yesterday on his way to Brownsville, I caused him to be detained and examined. With his comdg. Officer, Capt Ireland, who assisted me in the examination, the conclusion was arrived at, that Mr Lavantburg was endeavoring to remove his assets & property from this country, by false representations; and hence ought not to be permitted to proceed any further, until your orders might be ascertained. For this reason, I took possession of all the papers found with Mr L., and these are hereby transmitted to you; and I retained subject to your order a Bag of Gold said to contain five thousand one hundred Dollars, as also a letter of credit from George. C. C. of Montaneros, in favor of said L for \$5000⁰⁰, dated April 30th 1862, and drawn upon Claussen & Co, Monterrey. All cottons, sent forward by Lavantburg & Co, has also been stopped, and is subject to your order. From the statement of Mr L., there are about 600 Bales now en route for Mexico, belonging to said firm.

As I was satisfied in my own mind, that Mr L would not leave the country, so long as I held his money and cotton, I suffered him to depart.

for San Antonio, to defend his cause before you.

I would beg to call your attention to the fact, that it does not appear from the papers of Mr L., that he is a contractor for the Government. He simply has authority to purchase; but he is not by Bond or security compelled to do that, which is asked from him; - he is not bound to perform his promise, or to return. Your intimate knowledge of Mexico, and of the class of men to which Mr L. belongs, must cause you to admit, that with the cotton already in Mexico, and that on the road for said point, sufficient means were at the command of Mr L., to fill any order of the Government, which could be filled in that country, - without carrying out at this time, a large amount of coin, nor is it at all reasonable to suppose, that any person like Mr L. would invest coin in articles for which he could only be repaid in paper currency, when at the same time, he is giving up his legitimate business as a merchant, because he can only receive such currency in exchange for his goods. - My own experience and knowledge of human nature, has taught me, that an honest man, in pursuit of lawful objects, does not load himself down with certificates and vouchers for respectability and credibility, nor does he carry old and obsolete documents, referring to past transactions, as in the case of this Mr L., unless it be to deceive.

With his full concurrence and approval of the comdy Officer, at this point, I therefore acted in his premises as reported, and submit the matter to you for your final action.

I have the honor to be, Sir

very respectfully,

Your obt. Servt.

Wm. Lovell

General,

I have the honor to report, that by virtue of a special order, directed to Capt. Ireland, comdy. this post, and dated 10th June, I yesterday returned to Mr. S. Looming the money and credits, which he before I had deemed it my duty to withhold from him. I need not respectfully remark, that it being notorious that my report of this transaction had not reached you, when said order issued, or also that you were absent from Head Quarters before and at the time of its issue, 3^d Instance, it was even with a great deal of reluctance, that I acted in the premises as indicated in the said alleged order.

All the testimony, direct or circumstantial, which has come to my knowledge in relation to the house of Livingston & Bro, has satisfied me, that they are by the means of "cotton" transferring all their property beyond the limits of our Confederacy, with the intention not to risk a cent within it, either for the benefit of our Government or People; and that to so completely attain this object, they have secured the aid and endorsement of the State Executive by seeking contracts for military supplies, and promising to fill them, but never for a moment dreaming even of complying with such promise.

So convinced have I been and am I still of the treachery of this party, that holding the office of Commissioner of the Confederate States

Count in and for the Western District of Texas, I should have considered myself in duty bound to act in the premises, and to send the matter and parties before the District Court, in some shape, had it not been that as your Honor Marshal I had taken action, and as such I deemed it injudicious, after your decision in favor of these parties, to do anything which might be construed into disrespect, disregard or disobedience, or which might appear as a conflict between civil and military authority.

I entertain the same view in regard to the houses of Meyer gl^d
of San Antonio, A. Blum & Ben of Houston, and L. Rosentamm gl^d.
Their correspondence, which from time to time I have read, clearly shows,
to my mind at least, that if at one time in our struggle, they were willing
to assist us by making profitable sales to our Government for Confederate
papers, the very moment that they had invested this in "Cotton", and had
this article in a safe place, outside our jurisdiction, they ceased to have
even sympathy for us and our cause. It is moreover possible that
they have rendered or are now rendering the Government some secret service,
of which I can know nothing, and that hence they may be entitled to
special aid and comfort at our hands. Should this supposition be
well founded, I shall most cheerfully admit my error of judgment
in relation to said parties. I have the honor, to be Sir,
very respectfully,

very respectfully.

General H. P. Bee,
Comd' Mil' District of the Rio Grande,
San Antonio

General,

Enclosed herewith I transmitt copies of order issued by me in relation to circulating signs, and which I hope will meet with your approval. -
I found it impossible by any regulative measures adopted, to prevent drunkenness and suppress the excessive gambling, therefore, and I became satisfied, that to ensure quiet, peace and tranquility to our citizens, and to secure the efficiency, discipline and good morale of the C. S. troops, this measure of prohibition had become absolutely necessary. After consultation with the commanding officers, and finding that he fully coincided with me, I therefore did not hesitate for a moment to promulgate said order.

Enclosed you will also please find a circular in Spanish which I deemed it proper to have printed and to issue for the benefit of the population of Mexican origin within this jurisdiction. I am happy to inform you, that Marshal Law continues to give general satisfaction to the people of all classes. The system adopted by me in relation to the Mexican laborers, servants, and Vaqueros, meets with general favor, and seems to satisfy as well the employer as the hired party. It can not but prevent disorders and depredations by laborers and vagabonds; for under it, no Mexican can remain here, who is not in possession of a letter of protection; and to obtain this, he must first satisfy this Office that he has a lawful vocation which affords him a living, and secondly, he is required to furnish security for his good conduct &c. Any one unable to thus satisfy me, and to give the required security, is caused to be turned over to the Mil' Camp, to do fatigue duty for the benefit of our

Government. — If a similar system should be introduced by you in the Rio Grande, I am of opinion that the frequent murders, now occurring there, would be prevented. —

I regret to inform you, that several complaints, in proper and tangible form, have reached me against the conduct of persons, claiming to be officers and men of a company of the U.S. Army, "said to be commanded by one capt Ware". They are charged with forcing Mexicans to join said company, by intimidation, threats and false representations, inducing them to abandon their employers. In one instance even arresting a person, provided with a protection from this office. —

I caused the arrest of some of the accused parties, one of whom claimed to be a Lieutenant in the U.S. Army.

Without doubting your last Order No 14, which vacated all similar corps or organizations, they claimed to be in service under special authority from you, and hence I was at some loss to know how to act in the premises. I however examined into the charges and the facts in the case being clear, that they had arrested and still held by violence and threats, one Rodriguez, a bona fide citizen of this Mexico, I caused him to be discharged; and under the circumstances the accused parties promising not to continue this species of forcible enlistments, I also sent them hence.

The party who held the protection from this office had been previously released by the Ware himself, as the owner of his employees. I enclose communication from one of our deputies, upon this subject. More will understand how very important and reprehensible such conduct is, and how necessary it is to take all steps to prevent a repetition or continuance thereof.

I have the honor to be, Sir,

Very respectfully

Yours old servt

General,

Enclosed you will please find copy of notice, which I this day caused to be served by Lieut Maltby, and a detachment of men under his command, upon the several inhabitants of the various Islands within this mil District. The Executive of this State had issued his proclamation directing this removal; and by order from the Adjutant of the State Troops through Major Smith of the 29th Brigade, capt John Graham of the 4th Company at this point, was directed to enforce such removal, but for want of men and means, he declared to me, his inability to perform the duty. Deeming this removal absolutely necessary, and the least delay dangerous, I forthwith issued the within order; and unless otherwise directed by you, will enforce it.

General,

By my suggestion Mr W^m Morris of
the place comes to see you. He informed me, that he had on the upper
bays more than 3000 Bush of corn ready for shipment to this point,
and that parties in authority here prevented the lighters from taking in
freight and leaving for this point. As corn is needed in this
section, and especially on the Rio Grande, I at once urged him to
go and see you, and get the necessary orders to permit the shipment.

I know Mr Morris to have ready means, - to be
true to our cause, and willing to operate and invest his means
and time, for the Government, for reasonable and lasting profits. -
Hence, he can be trusted to advantage and be of much use,
I think. He can be implicitly relied upon in all matters.

The idea struck me, that it would be an advantage
to you to buy all his corn deliverable at this point for the country
on the Rio Grande, and I think we would ~~and~~ sell at once at proper
prices.

Yours, respectfully,

L. Smith, Junior.

Sir

I have the honor to
acknowledge the following statement in reference to Col. R.
T. Richardson. Command in West Tenn.
Col. Richardson visited Capt. Gurney's Company
of State Troops about the 15th Oct. 1862. Capt. Gurney
in Camp Selma, Ala. and explains that a number
of said Company; the men have been raised and entered
into State Service by Capt. G. and at the time of Col.
Richardson's visit the Company was in a disorganized condition.
Col. Harris of Tenn. having issued an order, revoking the
authority &c. for raising State Troops, Capt. G. in violation
and Captain Hurray of Fayette County Tenn. had Company
in which had also been raised for, and mustered into
State Service; then two other Companies were at the time
of Col. G's visit in the same condition as the former,
each Company endeavoring to select some portion of
the Confederate Service, to attach themselves to.
Col. G. as above stated made his appearance in Capt.
Gurney's Camp, explained to Capt. G. the object of
his visit, which was to raise a Regt. of Cavalry
Rangers for the defence of West Tenn. Col. G. exhibited
his authority from the War Dept. to raise a Regt.
made a short speech to the men, in which he expressed
his intention if successful in raising the Regt.

to be a self sustaining Comd. for a while at least,

John Murray and explained to him the wishes of

Companies of mounted men; all of whom expressed a wish
lingness to assist Col C. in raising a Regt of R. Range
men. Whereupon, the 22 day of Oct 1862 was appointed
for the different Companies to meet, and go into camp
which they did, or attempted to do, but the Yankee at Henry
his hearing of the project, sent out a large force and beat
upon a proclamation, all of the men were, in consequence
unable to meet for a day or two, after which two full Com-
panies and parts of four more, met and went into camp.
On the 27th of Oct 1862, Col C. called upon me
act as adjt of the Regt for a few days, until his
return to field until the formation of his Regt. On the
same day Col C. moved with his Command, to the
vicinity of Newbern, N.C. (at which place he sent
Clemson to head the Artillery for the purpose of man-
ing ammunition and equipments, for the Regt. He called
upon Genl D. who recognized Col C's authority and
had issued to the Regt about 10000 rounds of art-
illery, suitable for shot guns, almost the only one for
use had at the time; a few caissons, Capt. C. and his
were horsewheels. The Regt remained in North Carolina
until the latter part of Nov. 1862, at which time Col C.
moved with it to Fort Smith. On this arrival upon

also the wish of the officers to fill up their Companies

 In regard to conscripts, Col. Stuart was in a
 of them in charge of the office, instruct the officer
 to go out in the surrounding country, get up and
 bring to camp all men of military age and brought
 in, he would send their names in a book and say
 to them. You have the privilege of joining any
 company in the Regt. but if you are unwilling to
 do that, you must send you to a camp of instruction
 for to be called for infantry, all these things
 should be done of the companies, and was sent into
 the Confederate Service, and given a short

 take the oath of allegiance to the Confederate States
 Government. They were kept under guard for a few
 days, and they would be mustered into the service
 of their own escape; after the war had ended
 their companies, and was mustered into the service
 their names was transferred from the recruiting
 books, to the muster rolls of the company they had
 selected. Col. Stuart gave authority to J. H. Chaplin
 and J. H. Nichols, J. S. Caruthers, R. H. Harris,
 and R. A. Fields, to raise companies for his Regt.
 all of whom raised a company, was elected captain
 and assigned to Col. R. their rolls containing the
 requisite number of men, all of which was
 by the 1st day of July 1862, as of which
 Regt. was regularly organized, and from which

Capt. quite a number of horses. Pistols, Swords, and

found for and the things named as before mentioned.
As to his getting exemptions from the Service,
I will say that at the time the following transac-

RECORDED
DIVISION

The Comd. reached Oklaona Mtn about the 21st of August 1858, went into Camp at Pitkin's Meadows, the place; intelligence of this Regiment is 2nd Regt. Ill. Inf. See Morning reports from the latter part of Aug. to Dec 1st 58. In reports also accompanying these reports; in addition to the three Regiments mentioned, we had parts of Companies, who are full Company, (Capt. Smith) and a regiment attached at Fort Laramie to the 1st Regt. Ill. Inf.

Major General immediately set out
to get up his Command. About the 17th Sept.
Major General R. Lee came to our Camp, and in
the morning Mr. expressed some feelings in
at Col. R's success, and said if Col. R. would
inform him when he was ready to return, he
would go at once, if not, till I saw
Colonel Lee again tomorrow. The day after
Mr. informed us that he was coming to camp
if we were going, and would be ready to start
at daylight. But I wrote to Col. R. directing
him, to inform me what day he would
be ready to move; our Command had been
delayed much longer than we expected, owing
to the disagreeable weather having fallen behind us,
and all the Captains & Commanders.

The latter part of Sept we had improved our
cattle, received in 2500 from the ship. But the weather
was so bad that we could not go to the river. We were
at home, receiving the cattle. We had prepared the
cattle with the view of making them fat.
The weather was so bad we could not go to the river. We
8 miles from the river. The weather was so bad.

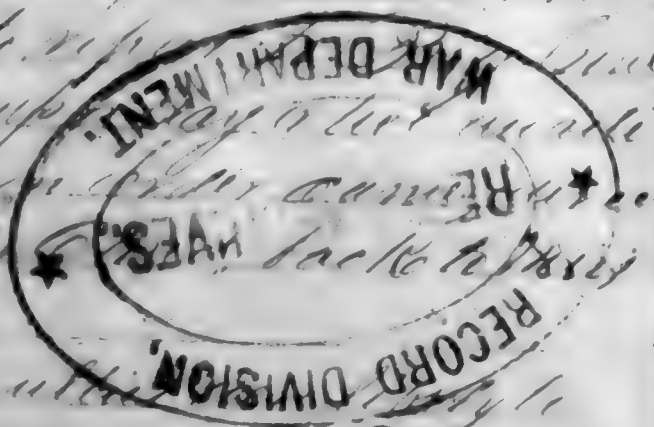

formed a junction with Genl. Halmon at Salem
Miss. on the 1st of the whole. Command moved back
to Holly Springs, Miss. the night towards the river.
On the 4th. In the morning of the 11th. we moved
upon the enemy at Cantonville Depot. on the
lasted to the morning which time we killed
wounded about 200. Prisoners. Captured about
prisoners, and about 20 wagons; we in fact
of halia that night; on the morning
our scouts reported the enemy moving upon
large numbers. We were met by Col. H. H. H.
in that great hall, when we were informed
of all back as our ammunition was so low
needed; we again formed a junction with
Chaimers. Brigades. Genl. C. being with
seek for more, moved with the Brigades
followed by the Generals; back to the
abandoning them, made a stand where
a desperate fight of more than an hour
Enemy retired; thus ended a week of
operations.

Genl. Chaimers having reached the

From New Orleans, to which Section he had gone
with a portion of his force, in the morning.
Col. Spencer. Col. Richardson anticipated his
return from the Corps of N.E. Miss. in the same
return. Had issued an order to the Mississippi
Regiment, in accordance to an order from the
Commander, to make preparations, with a view
of moving out from the order was copied with
great expedition, as the men had returned in
less than a month, instead of 30 days as
expected. Col. Richardson's Division at Charleston
had been greatly reduced, by the gathering of
the militia. Casualties from battle, desertion, deaths
and sickness. The latter was brought about for
the want of blankets and heavy clothing, as the
men had left them with nothing but summer
clothing, as before stated. Preparations were
made with alacrity, for a few days more, and
did more or less work and Camped at Kelly's
Mill. Tallahatchee River.

On the 22nd Nov. Col. Kneeland an order
from Maj. Gen. Lee, in Extract Special Order, No. 100
- date Nov. 21st Miller O. relieving him from
the command of the Corps of N.E. Miss. accompan-
ing this order was an order from Gen. J. C. Foster
bearing date Nov. 18th 63. See special Order No.

Sunday after Calha, the officers and men together, stated all the facts in the case and stated also that the only act of a Soldier, was to obey orders; that he would move early the next morning in the direction of Antelope; it was evident that great dissatisfaction existed among both the Cavalry and Men believing that they were to remain in Miss; and again the Command moved the following morning. The provisions named gold Officers arrived at their quarters; to wit. Col & Major and Maj. D. Thompson as the 1st Regt. Col. H. W. and Co.; A. Brown as the 2nd Regt. and as the 3rd Col. Stewart being the last having been sent into Fort Union by the 1st. He shortly joined the Regt. and was in camp in June waiting for further orders.

Her recovery the suspension of the
 named persons, and particularly of the
 of others, following and the
 side, the matter, and again the Committee
 of inquiry in a short time.

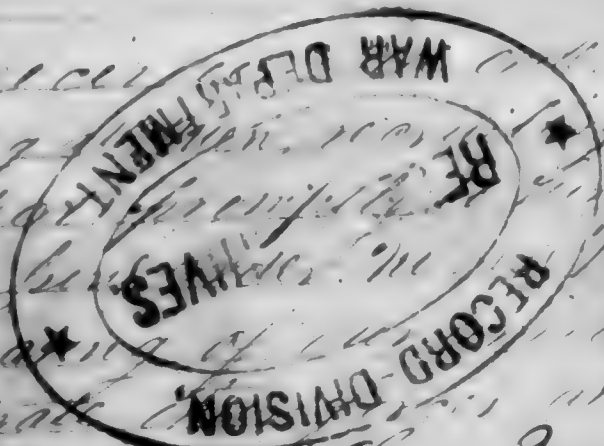

The Committee have moved in the direction of
Purdue, supposing that might be the place
of the River, and the following morning
learned that the Brig had lost about fifty
men by drowning, and I have no doubt by
the number of the killed Officers.

that I proceeded to Portland, expecting
that I would meet Mr. G. there, and direct him
a few days, and would back to New Haven.
About the 1st of Nov. 1833 an answer was received
from Rev. Forest, directing Col. & Co. to go with

His Order to a certain field which was near
our camp, for various. Col D. objected to this
order, for the reason that he but few men in
camp, the baggage having been sent on to the
Cannon by the railroad; the reason being that
the men were not, and on the 1st day of Dec
1862 the Confederates under Genl Forrest took a part
of March for that time we reached Jackson Tenn
about the 5th Dec. Genl Forrest establishing his headquarters
at that place, and ordered Col A. to move into the
County and to Knoxville Tenn the County seat of
the adjoining County on the west. By reference to a
Map it will be seen that we were compelled to skirt
and travel heavily in these directions, South, West,
and North, we reached there on the 7th Dec
Col A. issued an order to the Officers commanding
Regiments to send out squads to gather up stragglers
and recruit also. He gave an order to 21 Col
Green. in special order No. 111 dated Dec 12 '62 (E)
to collect the stragglers from his Regt.

On the 14th Dec. Genl Forrest issued an order directing
all authorities previously given, to raise and organize
troops in West Tenn. See Order No. (F)
On the 15th Dec. he issued an order directing
all officers engaged in recruiting to report to
him. See Order No. (G)

When Col A. received this order
he issued an order directing all officers commanding
troops to report to him. See Order No. (H)
The 1st Dec. after hearing of the capture of
in Tenn, began to concentrate the troops at
different points for the capture of Genl Forrest

Secord in its expulsion from the State; and
by the 20th Dec. their plans were sufficiently devel-
oped, to cause Gen. Forrest to move with his Comd.
across the line into Miss. which movement was
commenced on the morning of the 21st Dec.

After much delay in crossing National River we
reached the Memphis & C. & O. R.R. which was closely
guarded by the Enemy; and effected a crossing on
the morning of the 22nd after enduring a long
to do so, with the "Yankees" Major & Co. having a
way out of Tenn. we had three spirited engage-
ments with the Enemy, two of which were successfully
conducted by Col. Richardson & his Comd.

On the night of the 27th Dec. Gen. Forrest
directed Col. R. to take a force more or less
and cross the line into Tenn. It was one of the
number desired to accompany him; the object in
going back, was to collect the Men, that we were
leaving, in accordance with the plan
anticipated. Col. R. and went with his
and made over a party of Fayette & Shelby Counties
and went to work collecting the Men, in the
appearance of a few such a short spell, that
that we were unable to do anything for several
days & in a few days but at last it began to
moderate and we collected two hundred and
fifty Men and moved again across the River into
into West Miss. across the line into Miss. & Col. R.
Diput in the Miss. River at the 21st Jan. at
which place Gen. Forrest had his Hd. Qrs.
Col. R. for a while found a Circular which
had been issued by Gen. Forrest, directing a

Consolidation. See Circular date May 13th 1861.
Genl (S). Col (S) always willing to promote
his Country's cause, submitted to this order, and
forthwith issued an order to his Brig, directing
the Men & Officers to make preparations to consoli-
date on the 3rd July. That being the date set
apart by Genl Forest.

On the 25th Jan'y the Genl Order No 8. was issued
by Genl Forest, organizing the Troops in his
Department, chiefly owing to Col (S) Regt.
and others which had been and were being
raised under Col. Smith, and organizing
the Comd. as a Brig, see Genl Order No 8 (A).

At this time squares of Men were coming
out of Tenn. almost every day. That danger to
Col (S) Brig. Consequently the Command in-
creased. It is a long task, until the Consolidation
was effected.

Genl Forest moved to Cooper's
Mission with two Brigades. Col Richardson being re-
about the 10th of July 1861. On the 6th of July Col
Richardson was the following Regts and parts
of Regts and Batt^{ns} to wit: 12th Regt
1st Col Tenn. 1st Col Tenn. 10th Regt.
Col Stewart. 1st Regt Col Siguaud. Marshals
1st Regt. 1st Regt. 1st Regt. 1st Regt. 1st Regt.
total about 2500 Men. Genl Forest, I learned
would not allow Col Collins to report to Col
(S) although he had been reporting to Col (S) long
before. Genl Forest was assigned to the Comd.
of the Tenn. See Col Collins statement.

The Regts and Battallions above mentioned
were consolidated, according to Genl Forest, into
three Regts 12th 14th and 15th Regts. The 12th

Mr. Richardson and Brigade.

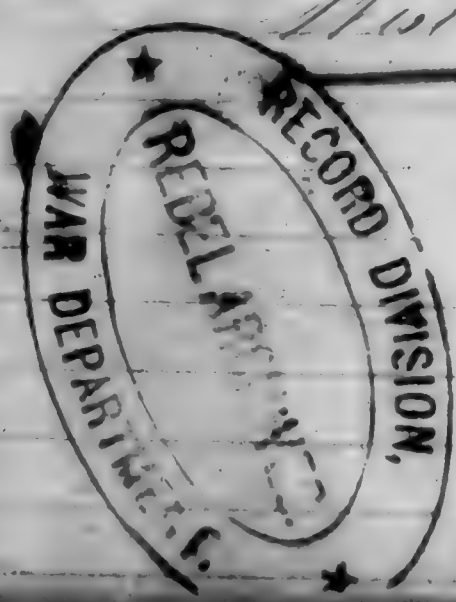

These men were enlisted and enrolled under Col. Richardson's authority, and quite a many more were enrolled by the same authority. Many of them are now in some other kind, but only properly belong to Col. R.

The day following the Consolidation, we left Leavenworth to meet the Army, an active Campaign followed, which gave Col. Richardson and his Command but little rest, until the 17th of March, at which time Col. R. reached Genoa, Miss. His return from Yazoo City, gave me but an order from Gen. Forrest retaining him in the Command of his Regt. and directing him to report to Lt. Genl. Polk at Genoa, Ala. in which place I accompanied him.

I am, Col. Very Respectfully,
Your Obedt. Servt.
